Understanding Sexual Homicide Offenders An Integrated Approach:

Understanding Sexual Homicide Offenders O. Chan, 2015-04-28 This book offers a comprehensive understanding of sexual homicide It includes a thorough survey of offender classifications and analyses current theoretical explanations and understandings of sexual homicide from a criminological perspective It proposes an important new integrated theoretical understanding of sexual homicide offenders *A Global Casebook of Sexual Homicide* Heng Choon (Oliver)

Chan, 2019-06-22 This book comprehensively discusses 13 infamous cases of serial and non serial sexual homicide committed around the globe in the past four decades 1974 2010 Offering a psycho criminological perspective it analyzes the cases theoretically i e contributing and precipitating factors and offender typology and considers the practical implications i e investigative and crime preventive measures and social services The first book to offer a glimpse of this topic from a global perspective it adopts a unique approach case background and critical analysis As such it is a valuable source of reference for scholars clinicians and law enforcement practitioners wanting to gain a better understanding of this type of violent offender

Routledge International Handbook of Sexual Homicide Studies Jean Proulx, Eric Beauregard, Adam Carter, Andreas Mokros, Rajan Darjee, Jonathan James, 2018-04-17 This book provides the first systematic overview of the theoretical empirical clinical and police issues related to sexual murderers and murder Bringing together leading researchers theoreticians and practitioners from across eight different countries this is a truly international collaboration and an essential reference text for students researchers and professionals interested in sexual homicide as well as an exhaustive source of guidelines for the assessment and treatment of sexual murderers This book is divided into five parts Part I Theories and research presents a detailed review of theoretical models and empirical studies of sexual homicide Part II Sexual sadism discusses theoretical empirical and clinical considerations and reviews the literature on the characteristics of sadistic sexual aggressors Part III Clinical issues discusses the assessment and management of sexual murderers at each phase of the judicial process at trial during incarceration and during follow up in the community Part IV Policing issues discusses research and practical issues related to police activities surrounding a sexual murder Topics include investigation offender and geographical profiling behavioural linkage and police interrogation of the murderers Part V New directions presents new directions for the study of sexual homicide and discusses the limits of current knowledge related to sexual murderers and their crimes Offering a broad and comprehensive approach this Handbook is an indispensable source of information on theory research clinical assessment treatment and police issues related to sexual murderers and murder

Understanding Sexual Serial Killing Frederick Toates, Olga Coschug-Toates, 2022-06-02 Why do some people engage in serial killing for sexual pleasure This book considers the phenomenon of sexual serial killing from the perspective of motivation theory as advanced in psychology and neuroscience By examining biological psychological and social determinants it develops a model of sexual killing that integrates widely dispersed existing literature The first part of the book reviews scientific data and theories while the second

part presents biographical sketches of 80 sexual killers and links their early development and later killing to current theoretical understanding The book examines cases of serial killers from the USA Western Europe Iran Australia and South Africa and it also includes an account of killers from the USSR made available to non Russian speakers for the first time Deliberately written to avoid jargon Understanding Sexual Serial Killing is accessible to students scholars and professionals across psychology sociology forensic science and law *Homicide* Sara Skott,2022-07-15 *Homicide Towards a Deeper Understanding* offers an in depth analysis into the phenomenon of homicide examining different types of homicide and how these types have changed over time Based on original analysis on Scottish data this book draws upon an international body of research to contextualize the findings in a global setting filling an important gap in the homicide literature pertaining to the relationship between trends in homicide and violence Examining homicide from gendered as well as Gothic perspectives this book also relates homicide to novel critical theory The book covers a thorough description of different types of homicide including sexual homicide and provides an explorative approach to the identification of homicide subtypes The book also explores how these findings relate to current homicide theory and proposes a new theoretical framework to gain a deeper understanding of this crime The main argument of the book is that if homicide and its relationship to wider violence is to be fully understood theoretically as well as empirically this crime needs to be disaggregated in a way that reflects the underlying data Overall this book therefore fills an important gap in criminological literature providing an in depth understanding of one of the most serious violent crimes **The Handbook of Homicide** Fiona Brookman,Edward R. Maguire,Mike Maguire,2017-03-16 The Handbook of Homicide presents a series of original essays by renowned authors from around the world reflecting the latest scholarship on the nature causes and patterns of homicide as well as policies and practices for its investigation and prevention Includes comprehensive coverage of the complex phenomenon of homicide and its various forms Features original contributions from an esteemed team of global experts and scholars with chapters highlighting the authors original research Represents the first internationally focused collection of the latest research on the nature and causes of homicide Covers both the causes and dynamics of homicide as well as policies and practices intended to address it *Violent Offenders* Delisi,Peter John Conis,2017-04-06 *Violent Offenders Theory Research Policy and Practice* contains cutting edge scholarship on the broad category of criminal predators including homicide offenders sex offenders financial predators and conventional street criminals *The Sexual Murderer* Eric Beauregard,Melissa Martineau,2016-10-04 Sexual homicide continues to be one of the most widely reported and sensationalised forms of murder attracting fascination from the public and scholars alike Despite this continued interest few empirical studies have been conducted on this particular form of sexual crime The Sexual Murderer provides an analytical review of the state of knowledge on the sexual murderer and his offense and presents new data that confronts some of the accepted ideas and myths surrounding this type of homicide The authors draw on original data stemming from both offenders and the police to

present an exhaustive and accurate picture of the sexual murderer and his offense and compare the sex offenders who do kill with sex offenders who despite being very violent do not. Each chapter includes a section on the practical implications of the findings and what the findings mean for professionals working with these cases and for the criminal justice system. This book explores themes including the role of fantasies paraphilias and personality criminal career context of the crime journey to murder modus operandi and crime scene sex trade workers avoiding detection body disposal pathways and whether we can predict sexual homicide occurrence. This book is a comprehensive resource for academic and professionals involved in sexual homicide cases such as psychologists psychiatrists investigators and profilers as well as individuals working in the field of sexual violence. This book will also be of interest to students taking courses on homicide sexual homicide and serial homicide.
