Une Autre Histoire Ldition Franaise:

The Cultural Revolution of the Nineteenth Century Márcia Abreu, Ana Cláudia Suriani da Silva, 2015-10-23 The beginnings of what we now call globalization dates from the early sixteenth century when Europeans in particular the Iberian monarchies began to connect the four parts of the world From the end of the eighteenth and throughout the nineteenth centuries technical advancements such as the growth of the European rail network and the increasing ease of international shipping narrowed the physical and imagined distances between different parts of the globe Books printed matter and theatrical performances were a crucial part of this process and the so called long nineteenth century saw a remarkable increase in readership and technological improvements that significantly changed the production of printed matter and its relationship with culture This book analyzes this sea change in knowledge and sharing of ideas through the prism of the transatlantic diffusion of French Brazilian Portuguese and English print cultures In particular it charts the circulation of printed matter publishers booksellers and actors between Europe and South America Featuring a new original essay from Roger Chartier The Cultural Revolution of the 19th Century is an essential new benchmark in global and transnational history

Balzac's Paris Eric Hazan, 2024-06-25 Exploring Paris arm in arm with Balzac nineteenth century France s most famous novelist and observer In Balzac s vast Human Comedy a body of ninety one completed novels and stories he endeavoured to create a complete picture of contemporary French society and manners Within this work is a loving ode to Paris and an incomparable introduction to the first capital of the modern world To this ageless city he makes a declaration of love in an accumulation of finely observed detail the caf s landmarks avenues parks and captures the populace in countless meticulously drawn portraits its lawyers grisettes journalists concierges usurers salesmen speculators Balzac gathered the elements of this Paris by sauntering through it To saunter is a science he writes it is the gastronomy of the eye To take a walk is to vegetate to saunter is to live Eric Hazan follows in Balzac s footsteps criss crossing the city in the novelist s outsize boots running between printers publishers coffee merchants mistresses and friends stopping for a moment struck by a detail that would be fixed in Balzac s photographic memory More than a tour of the city Balzac s Paris is an attempt to measure the soul of a city as recovered in its finest literature

War** Candan Badem, 2021-09-14 The Routledge Handbook of the Crimean War is an edited collection of articles on the
various aspects of the Crimean War written by distinguished historians from various countries Part I focuses on diplomatic
military and regional perspectives Part II includes contributions on social cultural and international issues around the war All
contributions are based upon findings of the latest research While not pretending to be an exhaustive encyclopaedia of this
first modern war the present volume captures the most important topics and the least researched areas in the historiography
of the war The book incorporates new approaches in national historiographies to the war and is intended to be the most up to
date reference book on the subject Chapters are devoted to each of the belligerent powers and to other peripheral states that
were involved in one way or another in the war The volume also gives more attention to the Ottoman Empire which is
generally neglected in European books on the war Both the general public and students of history will find the book useful
