James Neff

Unfinished Murder The Capture Of A Serial Rapist:

Unfinished Murder James Neff, 2002-04 From 1983 to 1988 he made Cleveland's West Side his hunting ground and its women his prey He spied on them silently invading their most intimate moments then entered their homes For the victims of serial rapist Ronnie Shelton the ordeal began with his terrifying whisper Don't look at me Do what I say and you won't get hurt Each woman had been attacked by a stranger who in a moment devastated her life and left her to face unfinished murder the emotional and psychological devastation that is the aftermath of rape At the end of a five year manhunt Shelton would be convicted of raping twenty nine women probably less than a third of those he actually raped Unfinished Murder is the incredible story of a group of survivors who found the courage to speak out to testify against Shelton and see justice served During his reign of terror they lived in fear and silence warned by him that if they talked he would come back and kill them After his arrest they bonded together and found understanding and healing Among his victims were Karen Holztrager a wife and mother who was haunted later by recurring nightmares Becky Roth a teacher of the handicapped who after the rape suffered depression suicidal feelings and subsequently a shattered marriage Betty Ocilka a postal worker and policeman's widow who forced herself not to cry during the attack because the sound would frighten her young son sleeping upstairs Detective Bob Matuszny who knew Betty Ocilka and had known her late husband made Shelton's arrest his personal mission Matuszny was outraged that a serial rapist was marauding through his city and furious that the police were being outwitted by a criminal who brazenly struck the moment their lookouts were down Despite bureaucratic red tape and paralyzing city budget cuts Matuszny persevered But it would take years to make the connection that the low level criminal brought in by police over a dozen times for assault probation violations bar brawls and disturbing the peace was guilty of so much more Based on author James Neff's interviews with the survivors police psychiatrists and with Ronnie Shelton Unfinished Murder probes the contradictory mind of a sex offender to determine what went wrong and why the warning signs of his disturbing behavior went unnoticed for so long Shelton's distorted sexual fantasies and propensity for violence during his teenage years made a lethal mix yet he slipped through every one of society's safety nets to become a calculating and seemingly unstoppable adult offender UNFINISHED MURDER is an astounding expose of police work hampered by an overtaxed urban criminal justice system it is also an indictment of society's failure to address the issue of rape and its brutal aftermath Most of all it is the uplifting story of women who found a unified voice with which to demand justice Their silent fear turned to triumph on the day Ronnie Shelton was sentenced to 3 1/8 years in prison Their healing process continues **Mobbed Up**

Mobbed Up James Neff, 2015-04-07 The spellbinding saga of Teamster boss Jackie Presser's rise and fall In his rise from car thief to president of America's largest labor union Jackie Presser used every ounce of his street smarts and rough edged charisma to get ahead He also had a lot of help along the way not just from his father Bill Presser a Teamster power broker and thrice convicted labor racketeer but also from the Mob and the FBI At the same time that he was taking orders from the Cleveland

Mafia and New York crime boss Fat Tony Salerno Presser was serving as the FBI's top informant on organized crime. Meticulously researched and dramatically told, *Mobbed Up* is the story of Presser's precarious balancing act with the Teamsters, the Mafia, and the Justice Department. Drawing on thousands of pages of classified files, James Neff follows the trail of greed, corruption, and hubris all the way to the Nixon and Reagan White Houses, where Bill and Jackie Presser were treated as valued friends. Winner of an Investigative Reporters Editors Award for best reporting on organized crime, it is a tale too astonishing to be made up and too troubling to be ignored. *The Essential Mystery Lists* Roger M. Sobin, 2011-09-30 For the first time in one place, Roger M. Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the best of lists by more than fifty of the most important contributors to the genre. Mr. Sobin spent more than two decades gathering the data, and lists in this volume much of that time he used to recheck the accuracy of the material he had collected. Several of the best of lists appear here for the first time in book form. Several others have been unavailable for a number of years. Of special note are Anthony Boucher's Best Picks for the Year, Boucher, one of the major mystery reviewers of all time, reviewed for *The San Francisco Chronicle*, *Ellery Queen Mystery Magazine*, and *The New York Times*. From these resources, Mr. Sobin created Boucher's Best and Important Lists to Consider, lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968. This is a great resource for all mystery readers and collectors. Winner of the 2008 Macavity Awards for Best Mystery Nonfiction. **The Power Serial Rapist** Dawn J. Graney, Bruce A. Arrigo, 2002 This book provides an in-depth, comprehensive and integrated approach to understanding the sexual offender's victim selection process. Consolidating the criminological research on rape and the victimological literature on victims, it deepens our knowledge about the offender, his victim, and the sexual crimes this rapist commits. By selecting salient and useful features of past victim selection typologies, this book develops a detailed assessment of what kind of individuals are likely victims and why. Also, this text examines the explanatory and predictive capability of the victim selection typology it proposes. To this end, the case of Gilbert Escobedo, the Ski Mask Rapist, is thoroughly explored. Following important background material on this power serial rapist, past victimization models and theories are applied to the case for purposes of interpreting and explaining Escobedo's method of selecting victims. Moreover, the victim selection typology developed by the authors is also applied to the Escobedo case. The authors demonstrate where and how their own typology significantly advances our assessment of sexual offenders like the Ski Mask Rapist. The text concludes by reviewing the implications of the authors' model for purposes of future clinical treatment, criminal justice administration, and policy, and ongoing research. **Jon Wells Three-Book Bundle** Jon Wells, 2014-06-24 From one of Canada's most respected crime journalists come three shocking stories of true crime.
