Matthew Pehl

Union Free America Workers And Antiunion Culture Working Class In American History:

Union-free America Lawrence Richards,2008 A stimulating study of how antiunionism has shaped the hearts and minds of American workers

Union-Free America Lawrence Richards,2010-03-08 A stimulating study of how antiunionism has shaped the hearts and minds of American workers

Rethinking the American Labor Movement Elizabeth Faue,2017-04-28 Rethinking the American Labor Movement tells the story of the various groups and incidents that make up what we think of as the labor movement While the efforts of the American labor force towards greater wealth parity have been rife with contention the struggle has embraced a broad vision of a more equitable distribution of the nation s wealth and a desire for workers to have greater control over their own lives In this succinct and authoritative volume Elizabeth Faue reconsiders the varied strains of the labor movement situating them within the context of rapidly transforming twentieth century American society to show how these efforts have formed a political and social movement that has shaped the trajectory of American life Rethinking the American Labor Movement is indispensable reading for scholars and students interested in American labor in the twentieth century and in the interplay between labor wealth and power

Rethinking U.S. Labor History Donna T. Haverty-Stacke,Daniel J. Walkowitz,2010-10-21 Rethinking U S Labor History provides a reassessment of the recent growth and new directions in U S labor history Labor History has recently undergone something of a renaissance that has yet to be documented The book chronicles this rejuvenation with contributions from new scholars as well as established names Rethinking U S Labor History focuses particularly on those issues of pressing interest for today s labor historians the relationship of class and culture the link between worker s experience and the changing political economy the role that gender and race have played in America s labor history and finally the transnational turn

Branded Women in U.S. Television Peter Bjelskou,2014-12-18 Branded Women in U S Television examines how The Real Housewives of New York City Martha Stewart and other female entrepreneurs create branded televised versions of the iconic U S housewife Using their television presence to establish and promote their own product lines including jewelry cookware clothing and skincare they become the primary physical representations of these brands While their businesses are serious and seriously lucrative especially reality television enables a certain representational flexibility that allows participants to create campy and sometimes tongue in cheek personas Peter Bjelskou explores their innovative branding strategies specifically the complex relationships between their entrepreneurial endeavors and their physical bodies attires tastes and personal histories Generally these branded women speak volumes about their contemporaneous political environments and this book illustrates how they and many other women in U S television history are indicative of larger societal trends and structures

The Making of Working-Class Religion Matthew Pehl,2016-09-08 Religion has played a protean role in the lives of America s workers In this innovative volume Matthew Pehl focuses on Detroit to examine the religious consciousness constructed by the city s working class Catholics African American Protestants and southern born white evangelicals and

Pentecostals between 1910 and 1969 Pehl embarks on an integrative view of working class faith that ranges across boundaries of class race denomination and time As he shows workers in the 1910s and 1920s practiced beliefs characterized by emotional expressiveness alliance with supernatural forces and incorporation of mass culture s secular diversions into the sacred That gave way to the more pragmatic class conscious religion cultures of the New Deal era and from the late Thirties on a quilt of secular working class cultures that coexisted in competitive though creative tension Finally Pehl shows how the ideology of race eclipsed class in the 1950s and 1960s and in so doing replaced the class conscious with the race conscious in religious cultures throughout the city An ambitiously inclusive contribution to a burgeoning field **The Making of Working Class Religion** breaks new ground in the study of solidarity and the sacred in the American heartland **Knocking on**

Labor's Door Lane Windham,2017-08-01 The power of unions in workers lives and in the American political system has declined dramatically since the 1970s In recent years many have argued that the crisis took root when unions stopped reaching out to workers and workers turned away from unions But here Lane Windham tells a different story Highlighting the integral often overlooked contributions of women people of color young workers and southerners Windham reveals how in the 1970s workers combined old working class tools like unions and labor law with legislative gains from the civil and women s rights movements to help shore up their prospects Through close up studies of workers campaigns in shipbuilding textiles retail and service Windham overturns widely held myths about labor s decline showing instead how employers united to manipulate weak labor law and quash a new wave of worker organizing Recounting how employees attempted to unionize against overwhelming odds **Knocking on Labor s Door** dramatically refashions the narrative of working class struggle during a crucial decade and shakes up current debates about labor s future Windham s story inspires both hope and indignation and will become a must read in labor civil rights and women s history Death and Dying in the Working Class, 1865-1920

Michael K. Rosenow,2015-04-15 Michael K Rosenow investigates working people s beliefs rituals of dying and the politics of death by honing in on three overarching questions How did workers their families and their communities experience death Did various identities of class race gender and religion coalesce to form distinct cultures of death for working people And how did people s attitudes toward death reflect notions of who mattered in U S society Drawing from an eclectic array of sources ranging from Andrew Carnegie to grave markers in Chicago s potter s field Rosenow portrays the complex political social and cultural relationships that fueled the United States industrial ascent The result is an undertaking that adds emotional depth to existing history while challenging our understanding of modes of cultural transmission Sewn in Coal

Country Robert P. Wolensky,2020-01-14 By the mid 1930s Pennsylvania s anthracite coal industry was facing a steady decline Mining areas such as the Wyoming Valley around the cities of Wilkes Barre and Pittston were full of willing workers including women who proved irresistibly attractive to New York City s runaway shops ladies apparel factories seeking lower labor and other costs The International Ladies Garment Workers Union ILGWU soon followed and the Valley became a

thriving hub of clothing production and union activity This volume tells the story of the area s apparel industry through the voices of men and women who lived it Drawing from an archive of over sixty audio recorded interviews within the Northeastern Pennsylvania Oral and Life History Collection Sewn in Coal Country showcases sixteen stories told by workers shop owners union leaders and others The interview subjects recount the ILGWU led movement to organize the shops the conflicts between the district union and the national office in New York the solidarity unionism approach of leader Min Matheson the role of organized crime within the business and the failed efforts to save the industry in the 1980s and 1990s Robert P Wolensky places the narratives in the larger context of American clothing manufacturing during the period and highlights their broader implications for the study of labor gender the working class and oral history Highly readable and thoroughly enlightening this significant contribution to the study of labor history and women s history will appeal to anyone interested in the relationships among workers unions management and community the effects of economic change on an area and its residents the role of organized crime within the industry and Pennsylvania history especially the social history of industrialization and deindustrialization during the twentieth century 2008 Massimo Mastrogregori,2012-12-19 Die International Bibliography of Historical Sciences verzeichnet j hrlich die bedeutendsten Neuerscheinungen geschichtswissenschaftlicher Monographien und Zeitschriftenartikel weltweit die inhaltlich von der Vor und Fr hgeschichte bis zur j ngsten Vergangenheit reichen Sie ist damit die derzeit einzige laufende Bibliographie dieser Art die thematisch zeitlich und geographisch ein derart breites Spektrum abdeckt Innerhalb der systematischen Gliederung nach Zeitalter Region oder historischer Disziplin sind die Werke nach Autorennamen oder charakteristischem Titelhauptwort aufgelistet

Union Free America Workers And Antiunion Culture Working Class In American History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Union Free America Workers And Antiunion Culture Working Class In American History PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek.

The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Union Free America Workers And Antiunion Culture Working Class In American History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Union Free America Workers And Antiunion Culture Working Class In American History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Union Free America Workers And Antiunion Culture Working Class In American History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Union Free America Workers And Antiunion Culture Working Class In American History is one of the best book in our library for free trial. We provide copy of Union Free America Workers And Antiunion Culture Working Class In American History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Union Free America Workers And Antiunion Culture Working Class In American History. Where to download Union Free America Workers And Antiunion Culture Working Class In American History online for free? Are you looking for Union Free America Workers And Antiunion Culture Working Class In American History PDF? This is definitely going to save you time and cash in something you should think about.
