Universal Salvation The Current Debate:

Universal Salvation? Robin A. Parry, Christopher H. Partridge, 2004-03-25 Foreword by Gabriel Fackre Will God one day save all people through Christ's atoning work That is the question at the heart of the debate in this volume a debate sure to challenge readers whatever their current perspective Featuring evangelical writers of exceptional insight and sensitivity *Universal Salvation* offers a conversation worth everyone's attention The volume opens with a rigorous three part defense of Christian universalism by philosopher Thomas Talbott who argues that Scripture teaches the ultimate salvation of all people including those in hell Gabriel Fackre in his foreword calls Talbott's work the most thoughtfully wrought argument for universalism to date from within the contemporary evangelical community The rest of the book gathers incisive responses to Talbott by Christian scholars from different disciplines who evaluate the strengths and weaknesses of Talbott's arguments take his thought in new directions or explain why they think he is mistaken Talbott then responds to his critics The aim of this volume is not to persuade people that universalism is true but to open up a fairer debate on a controversial subject of continuing importance to theologians and nontheologians alike By exploring universal salvation from biblical philosophical theological and historical perspectives the book helps readers think through the issues more carefully than has been possible with resources previously available

A Catholic Reading Guide to Universalism Robert Wild, 2015-08-14 This reading guide to some of the philosophical and theological literature on universalism offers practical help in providing informed material on a topic that is often treated in a superficial and unenlightened manner The reader may be surprised to learn that universalism was the predominant belief in the early centuries and that it has always been present in the Christian tradition Spurred on by Von Balthasar's book *Dare We Hope That All Men Be Saved* Robert Wild's guide provides current studies that support Von Balthasar's arguments that universalism is a legitimate hope for the Christian

The Evangelical Universalist Gregory MacDonald, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index

Eternal Blessedness for All Anette I Hagan, 2014-01-30 *Eternal Blessedness for All* shows how the acclaimed father of modern theology Friedrich Schleiermacher brilliantly approached this problem It took many twists and turns of historical and philosophically minded analyses however for him to get to a theologically appropriate answer This book unpacks those efforts in manageable form based on a close examination of a pivotal 1819 essay On the

Doctrine of Election his masterpiece Christian Faith sermons and other related sources Schleiermacher was the first modern theologian of stature to endorse the universal restoration of all humanity This study also displays the historical ecumenical and doctrinal contexts in which his views were fashioned Jesus the Everlasting Hope of Humankind Don Elijah Eckhart,2018-09-17 Jesus the Everlasting Hope of Humankind Biblical Theology Prompted by Visions and Dreams from the Holy Spirit begins with a vision that came to Don Eckhart of two persons one a Spirit filled Christian and the other in the lake of fire The vision depicts Jesus saving the desperate one crying out for mercy Eckhart enrolled in seminary where he studied the Bible and the history of Christian theology especially eternal punishment a topic seldom examined since Augustine in the fifth century Uniquely unfolding in the book are visions and dreams prompting an insightful study of Scripture and a biblical theology developed as the hope of Christ mediated salvation for all The effects are far reaching but not complicated This coherent theology includes afterlife correction and purification for nonbelievers as well as for believers who never fully devoted to Jesus Christ This purification compares to Catherine of Genoa s vision in the early sixteenth century The book demonstrates how God s desire that all be saved can be accomplished according to Scripture God s sovereignty and human free will coalesce as every tongue joyfully confesses that Jesus Christ is Lord The Good News may be even better than we thought **Laws of the Spiritual Order** Don Horrocks,2007-01-01 The name of Thomas Erskine is one of the more significant landmarks on the map of nineteenth century British theology Erskine though is little read these days and there has long been a need for an in depth authoritative treatment of his thought in order to rekindle our interest Don Horrocks has provided just such a study Horrocks focus on Erskine s soteriology opens up distinctive perspectives on a raft of key theological themes from the doctrine of God to the nature of faith and religious experience and the authoritative sources for theology In addition this informative study captures the mood of that early mid nineteenth century intellectual milieu which Erskine s thought both embodies and transcended Unmatched in its analysis and evaluation of Erskine s contribution Trevor Hart Professor of Divinity St Mary s College University of St Andrews Scotland Don Horrocks is a born researcher who writes with clarity and interest This book is a splendid contribution to the growing conversations concerning previously neglected theologians Thomas Erskine s precocity has come of age and I can think of no better a presentation of his context and theology than that offered by Horrocks Graham McFarlane Lecturer in Systematic Theology London School of Theology UK Thomas Erskine is one of the seminal but neglected theologians of nineteenth century Scotland In his study Don Horrocks introduces us to Erskine s thought in a thematic way that is at once lucid scholarly and stimulating It should be on the bookshelf of every serious student of the period Nick Needham Lecturer in Church History Highland Theological College Dingwall Scotland Don Horrocks work provides a searching analysis of this key nineteenth century theologian It is likely to be the first recourse on the subject for many years to come Meic Pearse Associate Professor of History Houghton College Don Horrocks spent twenty five years in business in corporate banking and management consultancy He completed his Ph D
