Woodworking Woody Brown,2021-03-08 Do you want to know the fundamentals of woodworking This book is intended to be an introduction to woodworking s fundamental tools equipment and techniques for the beginner who has little to no familiarity with the subject It should not be treated as exhaustive or all encompassing Working with wood involves a number of often difficult skills that take years to master and even specific subjects such as routing or painting can hardly be summed up in a single volume It s best to think of this book as your first step into a much larger world The activities in this book have been designed with a learn as you go approach you ll be encountering the woodworker s basic tools and techniques at the same time that you re creating a series of increasingly complex projects You may find that your finished projects are sometimes not quite as professional looking as those pictured in the book perhaps your sanding is uneven in spots or one of your bench s legs is shorter than the other In these cases remember that woodworking skill needs time and practice to develop the more experience you have with the tools and the more you come to understand the unique qualities of different types of wood the better your work will look Do keep in mind that woodworking provides plenty of opportunity to injure oneself Exercise great care at all times when carrying out these projects especially when power tools are involved Read all instructions in this book carefully and be sure to also read the manufacturer s supplied instructions for all equipment that you use with an eye to any safety precautions It s critical that you pay attention to what you re doing at all times when working with wood and that you use common sense The most important thing to remember about beginner s woodworking when it s all said and finished is you need to take it slow Perfect any new ability when your path comes Commit your memory to that new skill and own it Then learn your next skill and try to master it again Slowly build up both your resource library and your toolbox Within a year or two you ll find yourself at a much higher level than you are now This bundle contains 2 books Book 1 covers What Is Woodworking History Of Woodworking History Of Woodworking Tools Woodworking Tools The Best Kinds Of Wood For A Woodworking Project Choosing The Right Wood For Your Woodwork Project Tips To Clear Wood Odors Skills You Need To Learn Simple Woodworking Plans For Beginners Woodwork Plans Basic Tools Needed For Woodwork Projects How Simple Woodworking Can Be For Beginners In Wood Projects Woodworking Projects The Woodworking Router And Its Supporting Tools Types Of Woodworking Woodworking Safety Tips And Book 2 covers What Is Woodworking Who Are Woodworkers Types Of Woodworking Hand Tool Woodworking Power Tool Woodworking Digital Woodworking Blended Woodworking Specialty Woodworking Keeping Your Workshop Clean How To Conduct Regular Repair
