## **Word Biblical Commentary Volume 38a Romans 1 8:**

*Romans 1-8, Volume 38A* James D. G. Dunn, 2018-01-09 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary Adam, Christ and Covenant A. T. B.

McGowan, 2016-07-21 McGowan reviews challenges to and disagreements over Reformed covenant theology and proposes that its strengths can best be retained by separating the two key ideas of union with Adam Christ and God's covenantal dealings with his people **Hell on Trial** John Muhia Karanja, 2005 Hell is the most misunderstood doctrine by Christians throughout the world This book deals with issues that I believe the Bible teaches and that are lamentably dismissed by many churches as heresy These include Humans were created with the potential to become mortal or immortal beings As a result of the Fall humans acquired a mortal nature Immortality is God's gift to the righteous The wicked lack immortality and will be annihilated Death and not hell is the final destiny of the wicked When people die their whole being ceases to exist Their souls do not continue to live in an intermediate state as is believed by many Christians and non Christians At death God withdraws his power of life resulting in cessation of being This is why a resurrection is needed The dead has no concept of

time there is no time between death and resurrection At the resurrection people will be restored back to the earthly nature The Saints will be transformed and clothed with immortality while the wicked will be annihilated Rev Dr John Muhia Karanja the author of this book is a Presbyterian Church Minister He is married to Ann and has three children Rewire Your Heart David Bowden,2018-10-30 Bible teacher and acclaimed spoken word artist David Bowden reveals the secret to winning the battle with sin Many Christians believe the only way to fight sin is to grit our teeth strengthen our resolve and rise above the onslaught of temptation But in reality we have a far better weapon in our struggle with sin than the will power mantras associated with diet and exercise This weapon is not saying no to sin but saying yes to God In Rewire Your Heart David Bowden helps us discover God's plan to overcoming sin by rewiring our desires with the Gospel When we invite the Holy Spirit to transform our underlying affections with the good news of Jesus we begin to break free from the patterns of sin guilt and determination and discover the richer fulfillment found in joyfully obeying God's commands **Gregory of Nyssa: In**

**Canticum Canticorum** Giulio Maspero,Miguel Brugarolas,Ilaria Vigorelli,2018-08-07 Taken together Gregory of Nyssa's XV Homilies In Canticum Canticorum are at the same time as if in unison a work of spiritual exegetical and theological doctrine The wide spectrum of the themes present in them have prompted a great interest in this work not only among scholars of patristics or theology but also among those interested in biblical interpretation ancient rhetoric or Christian mystical doctrine These Proceedings present the results of the 13th International Colloquium on Gregory of Nyssa Rome 17-20 September 2014 a systematic commentary of Gregory's In Canticum from a broad perspective in the form of sixteen papers and a selection of fourteen short essays devoted to various issues that represent a valuable set of supporting studies

*Romans Volume I* David Dilling,2008-03-03 Prepared for a small group Bible study this volume includes a new translation and commentary on the Biblical Book of Romans Chaps 1-8 with Study Guides and Lesson Plans *The Evangelical Doctrine of the Church* Robert Doyle,2022-08-16 This book is a disciplined introduction to ecclesiology With respect to the community which the Lord purchased with his own blood Acts 20:28 parts one and two focus on a critical exegetical presentation of the New Testament's descriptions and themes locating their treatment within two millennia of reflection and appreciating the impact of those contexts on our understanding From over ninety New Testament images chapters four to ten identify and argue for three foundational concepts ekklesia assembly soma Christou the body of Christ and koinonia hagion the communion of the saints Continuing the conversation with Scripture and its history of interpretation Robert Doyle then applies the determinative biblical themes to present practice centering it on the churches of the Evangelical and Reformed traditions Part four illuminates ecclesiology from other foundational Christian doctrines the triune God of holy love Christology our ascended human high priest and king and the doctrine of revelation the church as the pillar and bulwark of the truth The final part focuses on three possible points of transformation in ecclesial life and witness both internally and outward to the world *Messy Grace* Caleb Kaltenbach,2015-10-20 Sometimes grace gets messy Caleb Kaltenbach was

raised by LGBT parents marched in gay pride parades as a youngster and experienced firsthand the hatred and bitterness of some Christians toward his family But then Caleb surprised everyone including himself by becoming a Christian and a pastor Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church As a pastor and as a person with beloved family members living a gay lifestyle Caleb had to face this issue with courage and grace Messy Grace shows us that Jesus's command to love your neighbor as yourself doesn't have an exception clause for a gay neighbor or for that matter any other neighbor we might find it hard to relate to Jesus was able to love these people and yet still hold on to his beliefs So can you Even when it's messy Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders Caleb's story is surprising and unique and he weaves it together compellingly He states his views clearly leaves room for disagreement and champions love no matter where you are in this conversation Jud Wilhite Sr Pastor Central Christian Church

**Creation is Groaning** Mary L. Coloe, 2013 If as some scholars attest Christianity has been complicit in the destruction of the environment then Christianity can and must also have a role in changing human behavior in a way that helps to solve this massive problem In *Creation is Groaning* a set of highly regarded theologians and Scripture scholars offer a theology and spirituality of creation based on principles of eco justice and environmental responsibility Contributors to this volume are Denis Edwards Antoinette Collins Dermot Nestor Laurie Woods Mary Coloe and Anthony Kelly Key elements of their project include tracing the development of Israel's view of creation through different historical situations and key writings with a particular focus on what ethical responsibilities toward creation emerge from its theology examining Israel's theology of Sabbath and its developing understanding of the end time thus encompassing creation in its origins and its final destiny considering the cosmic impact of the Jesus event as Paul and John understood it Together the authors establish a firm foundation for a new ethic that promotes the flourishing of all planetary life and a just global community

**A Letter to My Congregation, Second Edition** Ken Wilson, 2016-05-20 A breakthrough work coming from the heart of evangelical Christianity writes theologian David Gushee Wilson shows how God has led him on a journey toward a rethinking of what the fully authoritative and inspired Bible ought to be taken to mean in the life of the church today This book will shape what the church becomes writes anthropologist Tanya Luhmann One of the most exquisite painful candid brilliant pieces that I have ever seen writes Christian author Phyllis Tickle The second edition contains expanded material

**Impurity and Sin in Ancient Judaism** Jonathan Klawans, 2004 Jonathan Klawans shows how the link between moral impurity and physical defilement as understood by the ancient Hebrews can be followed through to St Paul and the Christian era when the need for ritual purity was finally rejected

**The Justifying Judgement of God** Justyn Terry, 2008-02-01 This monograph argues that the doctrine of atonement may be presented more coherently by recognizing judgement as the principle metaphor of the reconciling work of Christ Judgement understood not only as condemnation but as the whole process of bringing about justice provides the pattern to which victory redemption and sacrifice may be

compared and to which they should be related The first section is a study of twentieth century British atonement theology to understand the assumptions that give rise to the difficulties in proclaiming the atonement The second section examines Karl Barth s account of reconciliation in terms of the judgement of Jesus Christ and its relationship to victory redemption and sacrifice The proposal is made that judgement is the paradigmatic metaphor of the doctrine of atonement The implications of this claim are then considered for the response to the work of Christ and how repentance baptism Eucharist and holiness are related to judgement

**What Happened in the Garden** Abner Chou,2016 Evangelicals are no strangers to the creation versus evolution debate Now the argument has spread beyond the contents of the creation account and into Genesis 2 3 with speculation about the historicity of Adam and the fall But does it matter which position one holds Is anything really at stake The faculty of The Master s College come together to contend that the second and third chapters of Genesis are indeed historical that there are excellent reasons for believing so and that it is an essential issue within Christian thought and life The contents of these chapters establish the history of how everything in the world came to be what it is today This Scripture passage Genesis 3 especially explains what we observe in the legal system literature gender roles education psychology and science Far from irrelevant the theology and historicity of Genesis are in fact critical to our everyday lives What Happened in the Garden includes new scientific literary business educational and legal perspectives on creation Through this multidisciplinary look at the debate the contributors prove that to change our understanding of the fall is to change the way we understand reality to revise the Christian worldview and to reshape the faith itself

**Galatians** Philip F. Esler,2013-01-11 Paul s letter to the Galatians sometimes known as the Magna Carta of Christian liberty is central to the understanding of the relation of Paul and the Law and is packed with crucial historical social and theological material Philip F Esler provides a detailed and accessible interpretation of the text which draws on contemporary and modern literary models He outlines the problems often associated with reading Galatians the context of the text the rhetoric of the text and the intercultural and social implications of Galatians Galatians includes comprehensive indices of ancient sources and modern sources detailed references and an appendix discussing Paul s attitude to the Law in Romans 5 20 21 Galatians presents a succinct and eminently readable analysis of a dense and important New Testament text

**Heavenly Bodies** Ola Sigurdson,2016-07-30 Deep and wide study of 2 000 years of Christian thought on the human body Does Christianity scorn our bodies Friedrich Nietzsche thought so and many others since him have thought the same Ola Sigurdson contends to the contrary that Christianity understood properly in fact affirms human embodiment Presenting his constructive contributions to theology in relation to both historical and contemporary conceptions of the body Sigurdson begins by investigating the anthropological implications of the doctrine of the incarnation He then delves into the concept of the gaze and discusses a specifically Christian gaze of faith that focuses on God embodied in Jesus Finally he weaves these strands into a contemporary Christian theology of embodiment Sigurdson s profound engagement with the whole history of Christian

life and thought not only elucidates the spectrum of Christian perspectives on the body but also models a way of thinking historically and systematically that other theologians will find stimulating and challenging *The Case for Catholicism* Trent Horn, 2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest The Case for Catholicism answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R C Sproul It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history Finally in both answering Protestant objections to Catholicism and in providing evidence for the Faith The Case for Catholicism cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology This book is divided into four sections with each answering a key question Christians have asked about the nature of their faith Those key questions are What is my authority What is the Church How am I saved Who belongs to the body of Christ The Case for Catholicism will become a reliable resource for any Catholic who desires a well researched readable and persuasive answer to Protestant arguments made against the Catholic faith *Did Jesus Teach Salvation by Works?* Alan P. Stanley, 2006-09-20 Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus' teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life **Twin Cultures Separated by Centuries** Andrew B. Spurgeon, 2016-08-14 Andrew B Spurgeon works directly from the Greek text of 1 Corinthians in a study of reverse contextualisation highlighting the commonalities between the contexts of Corinthian and Indian cultures and applying the epistle's principles to Indian Christians today In this unique commentary Spurgeon first presents Indian similarities to those in Corinth moves on to biblical principles the Apostle Paul raises for the Corinthian church's attention especially where culture was in conflict with biblical standards and finally reapplies these principles to the context of life in twenty first century India This is an excellent resource for anyone wishing to study 1 Corinthians showing that God's Word is not only true but is just as relevant centuries later as when it was written *Hope & Death: Christian Responses* MICHAEL A. DAUPHINAIS, ROGER W. NUTT, 2023-01-27 Paul famously challenges his readers in 1 Corinthians If for this life only we have hoped in Christ we are of all men most to be pitied What does it mean to hope in Christ for the life

to come How can we intellectually defend such hope in the midst of secularist and materialist trends so prevalent in contemporary society Even if we believe as Christians in eternal life how do we find meaning in such hope when the injustices of the world and our own suffering often loom so large Drawing primarily upon the witness of biblical revelation and its reception and formulation in the teachings of Thomas Aquinas the essays in *Hope Death Christian Responses* answer contemporary questions related to how Christians might face suffering and death with hopeful minds and hearts The essays recover Christian hope in three main parts what hope reveals about God s nature and his providence how hope responds to and clarifies the meaning of human suffering and the way in which all hope draws human beings to an end beyond this world

*The Russian Empire, Slaving and Liberation, 1480-1725* Christoph Witzenrath, 2022-11-21 The monograph realigns political culture and countermeasures against slave raids which increased during the breakup of the Golden Horde By physical defense of the open steppe border and by embracing the New Israel symbolism in which the exodus from slavery in Egypt prefigures the exodus of Russian captives from Tatar captivity Muscovites found a defensive model to expand empire Recent scholarly debates on slaving are innovatively applied to Russian and imperial history challenging entrenched perceptions of Muscovy
