**Knowing God through Journey and Pilgrimage** Seung Yeal Lee, 2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three

feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching

The Message of Love: Understanding Sin and the Law Oddeth S. Burton, 2011-12-14 The book seeks to explore what is sin and the law It explains how the law was broken by Adam and had to be codified in the form of the Ten Commandments It started with sin in the angelic realm and then mankind It also explores man solution in the person of Jesus Christ and demonstrate God s love for mankind in the codified message of the Gospel of the Kingdom of God

**Living Beyond the Grave** Bruno R. Giamba, 2016-12-22 Have you ever heard someone say I can be a perfectionist or I can be critical or I have a bad temper Have you ever considered which sins were in the tomb with Jesus before he was resurrected on the third day I am sure that many have not considered it In Living Beyond the Grave Bruno R Giamba examines how perfectionism critical vengeful spirit and anger are more than simply a personality trait or something that has been adopted by a family context As we examine systematic theology we discover that Jesus was the curse for the law Gal 3 13 Salvation cannot be attained by keeping a perfect law but only through trusting in the person and work of Christ An overwhelming majority of Christians are still attempting to please God by keeping a record They strive to be perfect Perfectionism is in the grave Is there no condemnation to those who are in Christ Jesus Rom 8 1 Then why are Christians more likely to condemn others rather than pray for others Did Jesus not take on the cup of wrath for mankind Matt 26 39 Yet why are more Christians living in anger Is it possible that most Christians excuse their sin by blaming a personality trait or a past family context We must not allow this Its time for all Christians to take the responsibility that we are living in the grave and need to live beyond the grave I believe there is great hope for the body of Christ when individuals take their sin to the feet of Jesus and begin to believe that Christ can set them free As freedom reigns Christians will live beyond the grave

The Two Witnesses are God the Father and The Holy Spirit - Revelation 11 Joel Hernandez, 2019-10-08 In this first volume of my book I have proved beyond the shadow of a doubt that The Two Witnesses in Revelation 11 are God The Father and The Holy Spirit Which is a fact that none of the Ancient or Modern day commentators have ever known in 2 000 years That they are primarily God the Son s Two Witnesses who is the Glorious omnipotent Angel in Revelation chapter 10 who is prophesying to John about his immediate future in Revelation chapter 11 where he has assumed his second nature as Jesus Rev 11 8 Nor have they ever known that Jesus is the Main and Hidden Actor behind the scenes and underlying dimension of chapter 11 in spite of the fact that his Two Witnesses who are actually in him in chapter 11 as I shall also demonstrate seem to be the main

Actors on the surface as I shall also demonstrate Or ever known that Jesus is alive in chapter 11 Now that the Angel has become Jesus they must be referred to as Christ Two Witnesses None of the commentators have ever taken these facts into account because they never suspected the Two Witnesses could be God who they should have considered in the first place And considered 2 Cor 5 19 which says that God was in Christ reconciling the world unto himself That which immediately proves the Two Witnesses are the Father and Holy Spirit is the fact that Christ who is also God is called the very same things in the Bible they are a Witness an Olive Tree a Lampstand and a Prophet making a total of Three Witnesses Rev 1 5 Rev 11 3 Three Olive Trees Rev 11 4 Judg 9 8 9 Three Lampstands Rev 11 4 Zech 4 1 And Three Prophets Rev 11 10 John 4 19 The Father Son and Holy Spirit have always been Witnesses of each other throughout all Eternity And now that God the Son the omnipotent Angel has come down from the third heaven to earth in Rev 10 1 2 and assumed the form of Jesus the Father and Holy Spirit have now become the Two Witnesses of the Lamb that was slain Rev 11 7 8 Rev 5 6 in Time **Genesis 16-50**

**The Trickster Revisited** Dean Andrew Nicholas, 2009 The Trickster Revisited Deception as a Motif in the Pentateuch explores the use of deception in the Pentateuch and uncovers a new understanding of the trickster's function in the Hebrew Bible While traditional readings often whitewash the biblical characters exonerating them of any wrongdoing modern scholars often

explain these tales as significant at some earlier point in Israelite tradition But this study asks the question what role does the trickster have in the later pentateuchal setting Considering the work of Victor Turner and the mythic function of the trickster The Trickster Revisited explores the connections between tricksters the rite de passage pattern marginalization and liminality Marginalized individuals and communities often find trickster tales significant therefore trickster stories often follow a similar literary pattern After tracing this pattern throughout the Pentateuch specifically the patriarchal narratives and Moses interaction with Pharaoh in the Exodus the book discusses the meaning these stories had for the canonizers of the Pentateuch The author argues that in the Exile and post exilic period as the canon was forming the trickster was the perfect manifestation of Israel s self perception The cognitive dissonance of prophetic words of hope and grandeur in light of a meager socio economic and political reality caused the nation to identify itself as the trickster In this way Israel could explain its lowly state as a temporary but still significant betwixt and between on the threshold of a rise in status i e the great imminent kingdom predicted by the prophets      Genesis Gordon J.
