

Life is tough, darling, but so are you.

If it's not true, don't say it.

Life is short.

Not everyday
is a good day.
Live anyway.
Not all you love
will love you back.
Love anyway.
Not everyone will
tell you the truth.
Believe anyway.
Not all deals are truly
okay. Deal anyway.

Learn to rest, not quit.

Tough times don't last, tough people do.

Progress, not perfection.

It's the will, not the skill.

Never blame anyone in life.

Life is about change.
Sometimes it's painful,
Sometimes it's beautiful,
but most of the time,
it's both.

What you think, you become.

If it's not right, don't do it.

Be afraid and do it anyway.

What you feel, you attract.

One day at a time.

Expect Nothing. Appreciate Everything.

Words That Matter A Little Of Life Lessons:

Life Lessons for Everyday People Antoinette Marie Davis, 2013-01-29 *Life Lessons for Everyday People* is a book that focuses on the lessons that we can learn as we go through various situations on a day to day basis. These lessons are meant to teach us that life is not over because we do not have the job, spouse, house, or car that we want. These lessons were written to tell us that life is just beginning when we realize that God is in control of everything in our lives. No matter what your background is, you will experience these life lessons and various other lessons so that you can understand that life is all about learning from the decisions that we make. But the best part about life is learning, and as you learn, you will be able to live a better life in Christ.

Regenerate Tony Scarcello, 2020-09-24 *Loss, Fear, Doubt: What does anything mean when your ground of being is stripped away?* Tony met God when he was four years old through the love of his mother. When he was twelve, he realized he had a crush on one of his male friends and grew convinced God would have nothing to do with him. At sixteen, Tony reencountered God who affirmed that nothing stood between them but love. When he was twenty-three, married to the girl of his dreams and on staff at a church, Tony's secret came out and he came close to losing it all. What followed was arduous years of deconstruction, losing everything he thought he knew about God, only to rediscover God in the mystery. This God was not a new God; it was the same one as before, just seen with regenerated faith. This God was more beautiful and restorative than Tony could have ever imagined. Tony's story is not uncommon in the modern evangelical landscape. Thousands of people throughout the West are experiencing a crisis of faith that is commonly referred to as deconstruction. With raw honesty, Tony uses his own story as a starting point for a dialogue on the deconstruction process. Tony unpacks what the deconstruction process is, why it happens, and how the church can help people experiencing a crisis of faith without worsening it along the way. In this memoir, Tony candidly pleads for the church to make a turn, not to a trendier, progressive version of Christianity, nor to a stricter form of fundamentalism, but to the revolutionary, Jesus-centered movement that changed the face of the earth. A movement once better known for its society of healing love than its dogma.
