Working People Fifth Edition An Illustrated History Of The Canadian Labour Movement:

Working People, Fifth Edition Desmond Morton, 1999-01-13 From the dock workers of Saint John in 1812 to teenage crews at McDonald's today Canada's trade union movement has a long exciting history Working People tells the story of the men and women in the labour movement in Canada and their struggle for security dignity and influence in our society Desmond Morton highlights the great events of labour history the 1902 meeting that enabled international unions to dominate Canadian unionism for seventy years the Winnipeg General Strike of 1919 and an obscure 1944 order in council that became the labour's charter of rights and freedoms He describes the romantic idealism of the Knights of Labor in the 1880s and looks at new model unions that used their members dues and savings to fight powerful employers Working People explores the clash between idealists who fought for socialism industrial democracy and equality for women and men and the realists who wrestled with the human realities of self interest prejudice and fear Morton tells us about Canadians who deserve to be better known Phillips Thompson Helena Gutteridge Lynn Williams Huguette Plamondon Mabel Marlowe Madeleine Parent and a hundred others whose struggle to reconcile idealism and reality shaped Canada more than they could ever know

Working People Desmond Morton, 1998 Desmond Morton highlights the great events of labour history the 1902 meeting that enabled international unions to dominate Canadian unionism for seventy years the Winnipeg General Strike of 1919 and an obscure 1944 order in council that became the charter of labour's rights and freedoms He looks at the new model unions that used their members dues and savings to fight powerful employers and describes the romantic idealism of the Knights of Labor in the 1880s one of the most dramatic and visionary movements ever to seize the Canadian imagination He recounts the desperate struggles of miners loggers and fishers to protect themselves from both employers and the dangers of their work Working People explores the clash between idealists who fought for such impossible dreams as an eight hour day socialism holidays with pay industrial democracy and equality for women and men and the realists who wrestled with the human realities of self interest prejudice and fear Morton tells us about Canadians who deserve to be better known such as Phillips Thompson Helena Gutteridge Lynn Williams Huguette Plamondon Mabel Marlowe Madeleine Parent and a hundred others whose struggle to reconcile idealism and reality shaped Canada more than they would ever know This new edition brings the book up to date with discussions of globalization and its challenge to nationally based workers organizations

Canadian Books in Print ,2001 *Raising the Workers' Flag* Stephen Endicott, 2012-09-07 During the Great Depression the conflicting interests of capital and labour became clearer than ever before Radical Canadian workers encouraged by the Red International of Labour Unions responded by building the Workers Unity League an organization that greatly advanced the cause of unions in Canada and boasted 40 000 members at its height In *Raising the Workers Flag* the first full length study of this robust group Stephen L Endicott brings its passionate efforts to light in memorable detail *Raising the Workers Flag* is based on newly available or previously untapped sources including documents

from the Royal Canadian Mounted Police's Security Service and the Communist Party's archives Using these impressive finds Endicott gives an intimate sense of the raging debates of the labour movement of the 1930s A gripping account of the League's dreams and daring Raising the Workers Flag enlivens some of the most dramatic struggles of Canadian labour history

Household Politics Magdalena Fahrni, 2005-01-01 The reconstruction of Canadian society in the wake of the Second World War had an enormous impact on all aspects of public and private life For families in Montreal reconstruction plans included a stable home life hinged on social and economic security female suffrage welfare state measures and a reasonable cost of living In *Household Politics* Magda Fahrni examines postwar reconstruction from a variety of angles in order to fully convey its significance in the 1940s as differences of class gender language religion and region naturally produced differing perspectives Reconstruction was not simply a matter of official policy Although the government set many of the parameters for public debate federal projects did not inspire a postwar consensus and families alternatively embraced negotiated or opposed government plans Through in depth research from a wide variety of sources Fahrni brings together family history social history and political history to look at a wide variety of Montreal families French speaking and English speaking Catholic Protestant and Jewish making *Household Politics* a particularly unique and erudite study **Quill & Quire**, 2007
