The Works of the Reverend William Law, Vol. 3 (Classic Reprint) William Law, 2015-07-10 Excerpt from The Works of the Reverend William Law Vol 3 Christian Perfection will perhaps seem to the common Reader to imply some State of Life which every one need not aspire after that it is made up of such Strictnesses Retirements and Particularities of Devotion as are neither necessary nor practicable by the Generality of Christians But I must answer for myself that I know of only one common Christianity which is to be the common Means of Salvation to all Men About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Works of the Reverend William Law, Vol. 7 of 9 (Classic Reprint) William Law, 2017-11-27 Excerpt from The Works of the Reverend William Law Vol 7 of 9 Difference because he receives and uses them both in the same Spirit Life and Death are equally welcome because equally Parts of his Way to Eternity For poor and miserable as this Life is we have all of us free Access to all that is Great and Good and Happy and carry within ourselves a Key to all the Treasures that Heaven has to bestow upon us we starve in the midst of Plenty groan under Infirmities with the Remedy in our own Hand live and die without knowing and feeling any Thing of the O e only Gooo whilst we have it in our Power to know and enjoy it in as great a Reality as we know and feel the Power of this World over us For Heaven is as near to our Souls as this World is to our Bodies and we are created we are redeemed to have our Conversation in it God the only Gaoa of all intelligent Natures is not an absent or distant God but is more present in and to our Souls than our own Bodies and we are Strangers to Heaven and without God in the World for this only Reason because we are void of that Spirit of Prayer which alone can and never fails to unite us with the One only Good and to open Heaven and the Kingdom of God within us A Root set in the finest Soil in the best Climate and blessed with all that Sun and Air and Rain can do for it is not in so sure a Way of its Growth to Perfection as every Man may be whose Spirit aspires after all that which God is ready and infinitely desirous to give him For the Sim meets not the springing Bud that stretches towards him with half that Certainty as God the Source of all Good communicates him self to the Soul that longs to partake of Him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that

concerning the Truth of it I will therefore propose to you the shortest and at the same time the surest of all Methods I don t recommend to you to lay aside Prejudice and begin again the Controversy from the Bottom and read all on both Sides with all the Impartiality that you can I would as soon send you on a Pilgrimage to be a Penitent as propose to you this Travel to be a Christian The Truth of the Gospel lies much nearer to us than we imagine and we only dispute and wrangle ourselves into a Distance from it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
