Understanding The European Union A Concise Introduction The European Union Series

Steven McGuire, Michael Smith

Understanding The European Union A Concise Introduction The European Union Series:

Understanding the European Union John McCormick, 2020-11-13 This is the must have leading introduction to the European Union Offering an ideal primer on the EU's history institutions and politics this concise textbook also covers the various challenges and opportunities faced by the EU from the democratic deficit and the potential of future enlargement to the spread of nationalism and crises such as Brexit and the impact of the global pandemic Understanding the European Union is now more crucial than ever and this text provides a succinct but nuanced account of its development and how it works This book will be the ideal guide for all undergraduate and postgraduate courses in political science global affairs and European Studies It is also a suitable starting point for anyone seeking to learn more about the EU New to this Edition A number of key themes and issues run throughout the book including past and ongoing crises facing the EU the EU's place within the broader international system a focus on the EU's comparative political social and economic context the confederal qualities of the EU and Brexit Addresses the early impact of the global pandemic on the EU Greater use of maps figures tables and boxes where useful to inform the analysis accompanied by up to date further reading Informed throughout by sophisticated yet accessible treatment of theory including post functionalism and critical perspectives Cutting edge coverage of Brexit and negotiations around withdrawal

Understanding the European Union John McCormick, 2008-05-15 An immediate success on first publication Understanding the European Union provides a broad ranging but concise introduction to the EU covering all major aspects of European integration This revised and updated new edition includes fuller coverage of policy and policy making and of theoretical approaches to the study of the EU *What is the European Union* Paul Magnette, 2017-09-16 This distinctive new text provides an overview and assessment of key debates about the political character of the EU Arguing that it is best seen as an international organization albeit of a particularly integrated kind Paul Magnette shows how the need to accommodate a range of state interests shapes the EU political system and assesses the implications for its democratic functioning for institutions and policy and for Europeanization and integration

Understanding Euroscepticism Cécile Leconte, 2010-08-31 This timely text provides a concise and readable assessment of the dynamics character and consequences of opposition to European integration at all levels from elites and governments through parties and the media to voters and grass roots organizations The European Union and the United States Steven McGuire, Michael Smith, 2008-05-14 This major new text by leading authorities takes a broad interdisciplinary approach to the changing relationship between the EU and the US in the 21st century and its historical global and domestic context The authors focus on the contrast between the policy convergence and interdependence on the one hand and the intense competition on the other

The Political System of the European Union Simon Hix, Bjørn Høyland, 2011-03-01 The 3rd edition of this bestselling core textbook continues to give an innovative approach to analyzing researching and teaching the European Union Starting from the observation that the EU now possesses many of the attributes of modern political systems

Hix and Hylton argue that we should use the general theories of political science to help understand how the EU works. For each of the main processes in the EU political system: executive, legislative and judicial politics, public opinion, interest groups and democracy, and regulatory, monetary and foreign policies, the book introduces the key political science tools, reviews the relevant theories and applies the knowledge in detailed descriptive analysis. The third edition of this highly acclaimed and groundbreaking text has been fully revised and rewritten throughout. As well as incorporating new data and the latest research, it examines the consequences of key developments in the EU from enlargement to the Lisbon Treaty and the 2009 European Parliament election. To enhance teaching and learning, our companion website is packed with resources for both teachers and lecturers. Used together, this creates an indispensable and accessible companion to all upper level undergraduate and Master's courses with a focus on EU Politics. The methodology used in this book seeks to make the political system of the EU accessible to political science students as a whole, as well as those specifically studying the EU.

New to this Edition: Fully updated to cover impact of the Lisbon Treaty and latest European Parliament elections. More emphasis on explanation and debates in presentation of empirical information. More concise and accessible presentation of the latest research and data.

Analyzing the European Union Policy Process Esther Versluis, Mendeltje van Keulen, Paul Stephenson, 2010-10-15. Readers are provided with a practical insight into how to analyze policies and policy making in the EU. Using case studies to deepen readers' understanding, this book examines the various stages of the policy process from the moment the issue reaches the agenda through to drafting, implementation and evaluation.

The European Union and Global Capitalism Magnus Ryner, Alan Cafruny, 2016-12-16. This book draws on critical theory to introduce readers to ways of exploring questions about the EU from a political economy perspective: questions like 'Does the EU help or hinder Europe's social models to face the challenges of globalization?' 'Does the EU represent a break from Europe's imperial past?' 'What were the causes of the Eurozone crisis?'

Constitutionalizing the European Union Thomas Christiansen, Christine Reh, 2009-03-31. Enlargement and treaty reform have moved Europe's constitutional debate into the political spotlight. This important new text outlines the main themes of constitutional debate in the EU, analyzes formal and informal constitution building since the early days of European integration and introduces the actors and structures behind treaty change.

The European Union and the United States Jost Morgenstern-Pomorski, Terrence Guay, Michael Smith, 2024-11-14. In this thoroughly revised edition of *The European Union and the United States*, authors Smith, Guay and Morgenstern-Pomorski delve deep into the complexities of the EU-US relationship amidst pivotal shifts on the global stage. By examining the relationship through the lens of competition, convergence and crises, this textbook goes beyond narrow focuses on the EU-US relationship, offering a nuanced analysis of changing dynamics. It stands as the definitive and all-encompassing guide to transatlantic relations, considering recent developments in business, trade, political economy and foreign policy while carefully navigating the commonalities and differences that exist between the EU and the US. This updated edition also

reflects on contemporary changes such as cyber security climate change the rise of populism and the emergence of global powerhouses like China India and Brazil successfully situating the EU US relationship within a broader international context Throughout the authors diverse academic backgrounds enable an interdisciplinary approach to the material rebalancing content to include international relations comparative politics and management In doing so this textbook provides a holistic view of transatlantic affairs With additional features including focused case studies summary tables and speech extracts this text serves as the ideal companion for higher level undergraduate students and postgraduate students studying EU politics or anyone seeking to deepen their knowledge of the broader subject area

Ignite the flame of optimism with Crafted by is motivational masterpiece, Find Positivity in **Understanding The European Union A Concise Introduction The European Union Series** .
