Understanding End Times Prophecy Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you *Understanding End Times Prophecy* will help you put together the pieces and see the big picture

Understanding the End Times Bob Yandian, 2013-05-13 A Last Days Play by Play for the Christian Countless books have been written that link current events to end time scriptures predicting the soon return of Jesus But too often Christians have devalued the Bible message by predicting an Antichrist who dies or by predicting dates that come and go with no Jesus Bob Yandian Bible scholar and veteran pastor of more than 30 years says the whole point is to focus on God s unchanging plan not news headlines In *Understanding the End Times* Bob points out that while we have every reason to believe Jesus coming is imminent we need to focus on understanding God s plan for the ages by weaving together biblical prophecies and interpreting world events in light of it With straightforward scriptural teaching Bob outlines The Rapture of the Church The Judgment Seat of Christ The Tribulation Daniel s 70th week The Second Coming Dispensational truths The Millennial Reign FAQs Don t be concerned or confused about what s coming in the world This teaching will make it clear that the Bible does not line up with the world the world must line up with the Bible Christian look up to see that your redemption is closer than ever

Prophecy Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy **The**
