

An abstract painting featuring a vibrant rainbow arching over a landscape. The rainbow's colors—red, orange, yellow, green, blue, and purple—are blended into the background. Below the rainbow, there are dark green and brown shapes representing land, and a bright blue area representing water. The overall style is expressive and textured, with visible brushstrokes.

UNEXPECTED CONSEQUENCES

The Diaconate Renewed

SUSANNE WATSON EPTING

Unexpected Consequences The Diaconate Renewed

Susanne Watson Epting

Unexpected Consequences The Diaconate Renewed:

Unexpected Consequences Susanne Watson Epting, 2015-05-01 A critical look at the diaconate in the Episcopal Church Times change and the Order of Deacons in the Episcopal Church has not remained static While the book seeks to update contemporary knowledge about deacons it also shows how the diaconate may be well positioned to lead the church into change that cuts across governance formation and ministry While the institutional church struggles with its structure and purpose working to change its reality and perception the book suggests that there are diaconal leaders who have been working all along for this kind of change The book chronicles ways in which one church order has grown matured adapted adjusted and is as effective as it is because of its dynamic nature It is hoped that other orders might learn from the importance of being adaptable contextual and baptismal while highlighting the primary lens deacons look through as they seek to fulfill what the church has called them to do Unexpected Consequences Susanne Watson Epting, 2015-05

A critical look at the diaconate in the Episcopal Church Times change and the Order of Deacons in the Episcopal Church has not remained static While the book seeks to update contemporary knowledge about deacons it also shows how the diaconate may be well positioned to lead the church into change that cuts across governance formation and ministry While the institutional church struggles with its structure and purpose working to change its reality and perception the book suggests that there are diaconal leaders who have been working all along for this kind of change The book chronicles ways in which one church order has grown matured adapted adjusted and is as effective as it is because of its dynamic nature It is hoped that other orders might learn from the importance of being adaptable contextual and baptismal while highlighting the primary lens deacons look through as they seek to fulfill what the church has called them to do The Diaconate in Ecumenical Perspective Frederick C. (Fritz) Bauerschmidt, Anne Keffer, Maylanne Maybee, George E. Newman, Alison Peden, Josephine (Phina) Borgeson, Rosalind Brown, Brian A. Butcher, David Clark, Susanne Watson Epting, Gloria Marie Jones, E. Louise Williams, 2019-08-01 A discussion of the historical development of the order of deacons its theological basis in the Western and Eastern Churches and the relevance and significance of the diaconate for the Church in the twenty first century Priest of the Church or Priest of a Church? Noel Cox, 2021-03-25 The development of new forms of ministry lay and ordained has included worker priests now found in the Anglican Communion in a related form variously called Self Supporting Ministry SSM or Non Stipendiary Ministry NSM This book focuses on one of the most recent developments the creation of Ordained Local Ministry After chapters that consider preliminary questions of the nature of ministry such as authority in the church and Holy Orders Noel Cox argues that the crucial distinction between these and other forms of ministry is that the Ordained Local Minister OLM is overtly ordained specifically for a given locality variously defined they are a deacon or priest for a specific church parish benefice or deanery rather than of the universal church Their introduction inevitably raises difficult ecclesiological questions which Cox examines *The Ronald Arbuthnott Knox Collection. Signature*

Classics and Other Major Works (7 Books). Illustrated Ronald Arbuthnott Knox, 2025-03-14 Dive into the profound theological insights and eloquent prose of Ronald Arbuthnott Knox with this comprehensive collection of his most influential and widely regarded works. Known for his intellectual depth and clarity, Knox's writings blend philosophical reflection with pastoral wisdom, making these works essential reading for those seeking a deeper understanding of Christian faith and doctrine. This collection includes seven of his key works:

- A Spiritual Aeneid**: A rich meditation on the Christian journey, Knox draws parallels between the journey of Aeneas in Virgil's epic and the spiritual path of the believer, offering profound reflections on life, faith, and destiny.
- The Gospel in Slow Motion**: In this thoughtful exploration, Knox unpacks the teachings of the Gospel, examining the life of Christ and the profound messages embedded in his words, with a focus on deep spiritual reflection.
- The Creed in Slow Motion**: Knox explores the Nicene Creed, offering a clear and accessible explanation of its theological significance, helping readers deepen their understanding of the core beliefs of Christianity.
- The Belief of Catholics**: A comprehensive guide to Catholic teachings, Knox presents the central tenets of the Catholic faith in a way that is both accessible and intellectually rigorous, offering clarity and insight into Catholic doctrine.

Plus two additional major works that further delve into Christian thought, morality, and spirituality. With his signature blend of scholarly rigor and engaging writing, *The Ronald Arbuthnott Knox Collection* offers a timeless resource for anyone interested in deepening their faith, understanding Christian doctrine, and exploring the intersection of spirituality and intellectual life. This beautifully illustrated collection is a must-have for lovers of theology and philosophy.

A Spiritual Aeneid Ronald Arbuthnott Knox, 1918 This book is a religious autobiography. The matter of it is not original and I thank God the conclusion of it is not original either. But so long as minds differ there must always be some difference in the most hackneyed of pilgrimages as the pilgrims compare notes at the Confessio. I have tried to avoid all references that could be damaging to anybody but myself; if and where I have failed I must take this opportunity to ask forgiveness. The publishing of autobiographies by the obscure is always in any case a target for criticism but even obscure things have an interest: let us call it an autobiography. And before you say self-advertisement think what a bad advertisement. In explanation of the Aeneid motif which runs through the chapter headings and parts of the book I had perhaps better give the obvious set of symbols: Troy is undisturbed and in a sense unreflective religion; in most lives it is overthrown either to be rebuilt or to be replaced. The Greeks are the doubts that overthrow it. The miniature Troy of Helenus is the effort to reconstruct that religion exactly as it was. Carthage is any false goal that for a time seems to claim finality. And Rome is Rome.

The Diaconate James Monroe Barnett, 1995-01-01 This book is a highly readable comprehensive study that has established itself as the definitive work on the diaconate. Drawing upon original sources, the book provides valuable insights into the development of the office of the deacon in the early church and situates it within the context of the church's total ministry. Dr. Barnett contends that a radical change in the nature and understanding of the church's ministry took place in the fourth century. A ministry that had included the whole people of God in a horizontal organic structure gave way to one

that was clerical and hierarchical This change among other factors eventually transformed the diaconate into an inconsequential transitional office on the way to the priesthood Responding to the present day revival of the diaconate in the Roman Catholic Episcopal Lutheran and other churches Barnett calls for a restoration of the office to its original place as full and equal order thus re creating the great symbol of the servant ministry that Christ gave to all the church James Monroe Barnett now living in retirement in Omaha is the former rector of Trinity Episcopal Church Norfolk NE *The Diaconate in Ecumenical Perspective* Frederick C. (Fritz) Bauerschmidt, Anne Keffer, Maylanne Maybee, George E. Newman, Alison Peden, Josephine (Phina) Borgeson, Rosalind Brown, Brian A. Butcher, David Clark, Susanne Watson Epting, Gloria Marie Jones, E. Louise Williams, 2019-08-01 A discussion of the historical development of the order of deacons its theological basis in the Western and Eastern Churches and the relevance and significance of the diaconate for the Church in the twenty first century *The Diaconate* James Monroe Barnett, 1984-12 Reissued by popular demand here is a highly readable and comprehensive study that has established itself as the definitive work on the diaconate Drawing upon original sources the book provides valuable insights into the development of the office of deacon in the early church and situates diaconry within the context of the church s total ministry

Adopting the Beat of Expression: An Mental Symphony within **Unexpected Consequences The Diaconate Renewed**

In a global consumed by displays and the ceaseless chatter of immediate conversation, the melodic splendor and emotional symphony produced by the published word often diminish in to the background, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, located within the pages of **Unexpected Consequences The Diaconate Renewed** a wonderful literary value filled with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that interesting masterpiece conducts readers on a mental trip, well unraveling the hidden songs and profound impact resonating within each cautiously constructed phrase. Within the depths of this emotional evaluation, we will discover the book is central harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
