Unfettered Hope A Call To Faithful Living In An Affluent Society:

Unfettered Hope Marva J. Dawn, 2003-01-01 Dawn identifies the social and cultural issues and attitudes that contribute to despair and lack of hope in the world and provides a way for Christians to identify appropriate primary concerns around which they should live their lives Living Hope Paul W. Chilcote, Steve Harper, 2020-05-12 We are living in a world desperately in need of hope Do you yearn to live into a future filled with hope as a beloved child of God Rooted in this great gift of God Living Hope explores life in an inclusive vision of the future This book offers you an opportunity to reflect on the witness of hope the legacy about hope the reason for hope and helps you to engage in the practice of hope Living Hope celebrates the possibility of restored hope in the church and the world and invites you to become a bearer of hope to others in our time **Called to Be Sent** Anthony J. Gittins CSSp, 2018-02-13 The gospel tells us to look into other people's eyes as we search for an image of God to help us work for healing justice amid the rubble and the memories that litter our lives to rebuild a human world on the debris of broken dreams and to commit ourselves as God does to restoring communities so that there will be no more estrangement no more strangers and no more aliens It is only a little less than impossible and the only way we can do it is to learn to love the world as God already does It's simply not possible to love in theory we must go further than that We must love in practice We must practice in love That is the disciple's call Called to Be Sent develops and completes the theology of discipleship introduced in the author's previous books This new volume focuses on sending forth the phase that follows our radical encounter with humanity Here we find the hope and strength to move from an understanding of mission to actually being commissioned by Jesus In short as Christians we are gathered for scattering and called to be sent and this book provides much direction Called to Be Sent Anthony J. Gittins, 2018-02-13 The gospel tells us to look into other people's eyes as we search for an image of God to help us work for healing justice amid the rubble and the memories that litter our lives to rebuild a human world on the debris of broken dreams and to commit ourselves as God does to restoring communities so that there will be no more estrangement no more strangers and no more aliens It is only a little less than impossible and the only way we can do it is to learn to love the world as God already does It's simply not possible to love in theory we must go further than that We must love in practice We must practice in love That is the disciple's call Called to Be Sent develops and completes the theology of discipleship introduced in the author's previous books This new volume focuses on sending forth the phase that follows our radical encounter with humanity Here we find the hope and strength to move from an understanding of mission to actually being commissioned by Jesus In short as Christians we are gathered for scattering and called to be sent and this book provides much direction Transhumanism and the Image of God Jacob Shatzer, 2019-04-09 Examining the transhumanist movement biblical ethicist Jacob Shatzer grapples with the potential for technology to transform the way we think about what it means to be human Exploring the doctrine of incarnation and topics such as artificial intelligence robotics medical technology and communications tools he guides us into

careful consideration of the future of Christian discipleship in a disruptive technological environment **The Sense of the Call** Marva J. Dawn, 2006-02-21 In *Keeping the Sabbath Wholly* Dawn introduced the vital Sabbath aspects of resting, ceasing, feasting and embracing. Now she expands these into a way of life for serving God and the Kingdom every single day of the week. **Practical Life** **Just Living** Ruth Valerio, 2016-03-10 Globalisation and consumerism affect every area of our lives. But it's not just about shopping; these powerful forces shape our personal lives, how we relate to one another, how we view the world, and they are having a seriously detrimental impact both on the lives of the global poor and on the health of the planet itself. Every Christian in every generation, down through the history of the church, has had to work out what it means to be a follower of Jesus in their particular culture. For us in the twenty-first century, we must think about discipleship in a globalised, consumerist context. Environmentalist and theologian Ruth Valerio examines these issues in a book that is intellectually rigorous yet practical and as inspiring as it is challenging. *Hope Ain't a Hustle* Irwyn L. Ince Jr., 2024-02-06 Sometimes hope can feel like a scam, a swindle, a hustle. But as Christians, our hope cannot disappoint us because it is validated by God himself. In this accessible exploration of the epistle to the Hebrews, Irwyn Ince shows us how placing our confidence in our great high priest, Jesus Christ, changes the way we live in the here and now. [The Wiley Blackwell Companion to Practical Theology](#) Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field, *The Wiley Blackwell Companion to Practical Theology* presents an introduction to practical theology as a major area of Christian study and practice, including an overview of its key developments, themes, methods, and future directions. The first comprehensive reference work to provide a survey, description, and analysis of practical theology as an area of study, a range of leading scholars in the field provide original contributions on the major areas, issues, and figures in practical theology. Reviews an extensive range of methods for studying theology in practice, along with sub-disciplines in theological education such as pastoral care and preaching. Covers developments in the discipline in a range of global contexts and distinct Christian traditions. Shows how practical theology is relevant to everyday life. *Pastoral Virtues for Artificial Intelligence* Jaco J. Hamman, 2022-10-03 *Pastoral Virtues for Artificial Intelligence* acknowledges that human destiny is intimately tied to artificial intelligence. AI already outperforms a person on most tasks. Our ever-deepening relationship with an AI that is increasingly autonomous mirrors our relationship to what is perceived as Sacred or Divine. Like God, AI awakens hope and fear in people while giving life to some and taking livelihood, especially in the form of jobs, from others. AI built around values of convenience, productivity, speed, efficiency, and cost reduction serve humanity poorly, especially in moments that demand care and wisdom. This book explores the pastoral virtues of hope, patience, wisdom, and compassion as foundational to personal flourishing, communal thriving, and building a robust AI. Biases of determinism, speed, objectivity, ignorance, and apathy within AI's algorithms are identified. These biases can be minimized through the incorporation of pastoral virtues as values guiding AI.
