Encountering the Book of Psalms (Encountering Biblical Studies) C. Hassell Bullock, 2004-07-01 According to author Hassell Bullock No collection of poems has ever exercised as much influence on the Western world as the Book of Psalms The attraction for Jews Christians and others is surely the personal element that pervades these poems which describe the human situation in all its complexity Though the Psalms are perhaps the most familiar portion of the Hebrew Bible they are also among the most difficult to interpret As a result Bullock has created this guide to introduce students to the study and interpretation of the Psalms *Encountering the Book of Psalms* begins by examining literary and hermeneutical dimensions Bullock discusses the nature structure and authorship of the Psalter and provides readers with specific principles for interpretation He goes on to examine the use of Psalms in worship from the ancient world to the twenty first century He further explores how the psalmists used historical reflection to serve their theological purposes and he concludes by investigating different types of psalms e g praise lament and wisdom Like other volumes in the *Encountering Biblical Studies* series *Encountering the Book of Psalms* is designed for classroom use and includes a number of helpful features including chapter objectives and outlines sidebars charts and illustrations

Angels and Beasts Laurentiu Florentin Mot, 2017-03-13 *Angels and Beasts* looks into the interplay between the angelic figures in the vision of the seven seals John creates a relationship between the four living creatures and the four riders in Revelation 6 1 8 that must not be overlooked This connection works between the two groups as a whole and at the one to one level The blending of symbols and the communication between these symbolic figures reveal exegetical theological and spiritual lessons Both the scenario and the script of John s vision talk about terms and ties in the realm of angelic beings For John these relations in the world above are a code to unlock relations in the world below

The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today s couples

Fighting On Our Knees Rory Noland, 2024-10-08 As modern society becomes increasingly secular Christians today find themselves living in a world that is not only diametrically opposed to their faith but also downright hostile about it While living in what

has been deemed an anti Christian culture characterized by a vehemently negative view of both Christianity and Christians we are locked in a fight to the finish battle with the forces of evil Rory Noland calls and equips twenty first century Christians to engage in spiritual warfare by praying the Psalms the same book of prayers that ministered to the Israelites of old and served as their collective voice in turbulent times He highlights a group of psalms that address three specific areas currently under spiritual attack the family the church and the culture at large Each chapter focuses on a particular psalm presents a verse by verse devotional commentary and concludes with prayer exercises based on that psalm Throughout his presentation Noland encourages Christians to stay vigilant in the all important kingdom work called prayer Fighting on Our Knees calls and equips Christians to engage in spiritual warfare by praying psalms that address three vital areas family church and culture

Never Shaken Daniel Henderson, 2024-03-05 Finding a firm foundation in a shaken and fractured world Do you feel tossed about or a little disoriented The foundations of predictable society are shifting In this ambiguous cultural forecast we re wondering what s right what matters most and how we should respond How do we build a meaningful life and legacy when our lives feel fragile when our future seems discouragingly uncertain With a pastoral heart Daniel Henderson looks to Psalm 15 when David late in his years was also trying to make sense of the strangest of times David felt the unexpected loss of family dignity and destiny Some of his pain was the result of seeds he d sown earlier in his life Yet as he penned Psalm 15 he was led to the solid ground of intimacy with God and integrity in his own life He was left with the promise from God that He would always be secure never moved The burdens under which David was laboring are staggeringly similar to our own In Never Shaken Henderson shows us how to build our lives on the gospel of Jesus Christ He reveals how true worship and the presence of God is found in Christ s life in and through us This book is an invaluable resource for all who desire to live with the hope and courage of Jesus Christ no matter what befalls us

Under His Feet" Mark Stephen Kinzer,1995 Anger in the Old Testament Bruce Edward Baloian,1992 This work focuses on the Old Testament texts which speak of human and divine anger Texts recording human and divine anger are exegeted for the purpose of finding a coherent psychology and theology of both The acquired themes are then juxtaposed looking for the common or contrasting aspects that could lead to an underlining theological vantage point *Subject Guide to Books in Print* ,2001 *Echoes of the Exodus Narrative in the Context and Background of Galatians 5:18* William N. Wilder,2001 In Galatians 5 18 Paul declares that if you are led by the Spirit you are not under the law In this study William N Wilder departs from conventional interpretations by arguing that the language of Galatians 5 18 represents Paul s new exodus understanding of the Christian experience According to Wilder Paul consistently uses the phrase under the law to refer to a bondage he understood as particular to the Jews with strong connotations of a specifically Egypt like slavery attached to this phrase in Galatians Wilder also argues that the typological association of the Spirit and the exodus cloud found elsewhere in Paul in a comparison of 1 Corinthians 10 1 4 and 1 Corinthians 12 13 is likewise assumed in the phrase led by the Spirit and may be traced back to the Old Testament prophetic literature and Psalms Hag 2 4 5 Isa 63 11 14 Neh 9 19 20 Ps 143 10 The author gives special attention to the influence of Psalm 143 on Paul s theology contending that it provides an Old Testament source both for the new exodus assumptions in Galatians 5 18 and for the apocalyptic flesh Spirit antithesis that dominates the larger context of that verse **The A.M.E. Zion Quarterly Review** ,1995 Missionalia ,1990 Contains abstracts of missiological contributions book reviews and articles **The Book of Psalms Through the Lens of Intertextuality** Beth LaNeel Tanner,2001 Even in an era of expanding methodologies for biblical studies psalms study seems to be stuck in the old tracks of form criticism While often beneficial form criticism excludes two important ways of reading the psalms that of reading the psalms with the narratives of the Hebrew Scriptures as the historical superscriptions suggest and that of a feminist reading by expanding an exclusive focus on the cult This book looks to correct these problems by investigating the psalms via intertextual method both by seeing the psalms as intertextual made up of a multitude of other texts and by reading the psalms intertextually with texts outside the psalms This book also introduces the reader to the variety of intertextual theories in the literary guild and develops an intertextual hermeneutic of biblical study based on these theories that bridges the gap between literary theory and the practice of biblical interpretation Publisher and Bookseller ,1905 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series The Bookseller ,1875 **Bulletin** Cincinnati (Ohio), Public Library,1884
