Wordpress User Guide:

Easy WP Guide WordPress Manual Anthony Hortin,2015-07-30 It might be easier to say what this guide isn't rather than what it is. It isn't an in-depth look at every single function available within the WordPress dashboard. Nor is it a guide to help you develop or modify WordPress themes. It's an easy-to-follow WordPress manual that will help you to get an overall understanding of how you use the various features within the WordPress Dashboard to keep your website or blog updated. The official WordPress Codex is great if you want to get really involved in developing your own WordPress theme or modifying your site with plugins, but it can be a bit daunting for those users who just want a simple guide to using the Content Management side of WordPress or just need to update their site pages every so often. The Easy WP Guide will teach you how to add content to your website and keep it updated simply and easily. This version has been completely updated for use with WordPress 4.2.

Wordpress Handbook With Screen Shots Wordpress A GREAT book for a beginner September 2 2013I would give this book 7
stars if I could I haveto say for someone who is not computer savvy when it comes totechnical stuff that this was the easiest
book I have ever read Jaredis right to the point and if you follow his steps to the letter youcannot go wrong He includes step
by step pictures just as the coverimplies If your screen does not match the picture go back and do itagain Also he mentioned
that he would email anybody who purchased the book updates as he creates them So far I have received two updates Ihad a
question over a holiday weekend so I emailed Jared I was hopingthat I would get a response sometime within the week
certainly notexpecting an answer the same day And on a holiday You just don t getthat kind of service very often so I thought
it was worth sharing Thanks again Jared I hope you create more books Wordpress made easy for everyone in this easy to
follow step by step guide This easy Wordpress handbook is the only one you will ever need to buy It is full of screen shots to
make sure you know exactly what the next step is in your process of gaining an online presence Even though this was written
as a Wordpress for Beginners guide many folks who consider themselves not total newbies will get some great tips about
excellent suggested plugins to install This Wordpress Made Easy guide is written to help you save money by building your
own website or blog There is no reason that you should pay for Wordpress web design when you can do it yourself I have
personally built hundreds of websites and blogs both for myself and for clients It s not as hard as you think I will be building
a new site as you watch over my shoulder with loads of screen shots to help you get your site up and running Everything from
registration hosting and even creating a header is included If you have never registered a domain name or paid for hosting
