Why I'm a Journalist Aaron Chimbelle, 2017-07-20. Why be a journalist? It can be a difficult job with long hours, hard work, and an uncertain future. Journalists face relentless criticism and an industry in transition. Aaron Chimbelle has put together a collection of essays from working journalists who answer the question: why be a journalist with their personal stories of coming up, toiling in the field, and writing important career-defining stories. These journalists come from different platforms, beats, and locations, offering varying accounts of the travails and rewards of being a working journalist across changing landscapes and timelines. The essays in Why I'm a Journalist offer encouragement and wisdom about the path to being a reporter, a broadcaster, an editor, or a media professional. This is a collection for students interested in the field, early upstarts engaged with building their careers, and seasoned pros looking to learn from their colleagues.
