Working Days The Journals Of The Grapes Of Wrath:

Working Days John Steinbeck, 1990-12-01 John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938 Throughout the time he was creating his greatest work Steinbeck faithfully kept a journal revealing his arduous journey toward its completion The journal like the novel it chronicles tells a tale of dramatic proportions of dogged determination and inspiration yet also of paranoia self doubt and obstacles It records in intimate detail the conception and genesis of *The Grapes of Wrath* and its huge though controversial success It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece **Working Days** John

Steinbeck, 1989 *Critical Companion to John Steinbeck* Jeffrey D. Schultz, Luchen Li, 2005 Celebrates the American writer who in his works confronted and explored the social fabric of the United States in the early 20th century More than 500 entries include synopses of his novels short stories and nonfiction descriptions of his characters details about family friends and associates *The Journal Writer's Companion* Alyss Thomas, 2019-09-01 Create a personalized approach to journaling that will help you to succeed both professionally and personally Numerous studies show that journal writing is a fantastic resource that can significantly impact your life but few people know how to go about it effectively in order to gain lasting positive results *The Journal Writer's Companion* aims to change this Designed to be a clear practical guide to using journal writing to help you succeed in any area of life and work it is also a comprehensive reference source to all of the different types of journaling techniques from gratitude journals to bullet journals legacy journals to art journals An experienced psychotherapist and writing coach Alyss Thomas explains how these various approaches to journaling can be adapted and combined in innovative ways to create a unique personalized method that works for your life and your goals You do not need to use any other journaling books or use any pre printed journals Instead you can use any blank notebook or set up your journal on a computer or online using the guidance contained here on how to structure it to specifically meet your needs The result is the only guide you'll ever need to achieving personal and professional success the journaling way **Steinbeck's**

Imaginarium Robert DeMott, 2022-11-15 In *Steinbeck's Imaginarium* Robert DeMott delves into the imaginative creative and sometimes neglected aspects of John Steinbeck's writing DeMott positions Steinbeck as a prophetic voice for today as much as he was for the Depression era 1930s as the essays explore the often unknown or unacknowledged elements of Steinbeck's artistic career that deserve closer attention He writes about the determining scientific influences such as quantum physics and ecology in *Cannery Row* and considers Steinbeck's addiction to writing through the lens of the extensive obsessive full length journals that he kept while writing three of his best known novels *The Grapes of Wrath* *The Wayward Bus* and *East of Eden* DeMott insists that these monumental works of fiction all comprise important statements on his creative process and his theory of fiction writing DeMott further blends his personal experience as a lifelong angler with a reading of several neglected fishing episodes in Steinbeck's work Collectively the chapters illuminate John Steinbeck as a

fully conscious self aware literate experimental novelist whose talents will continue to warrant study and admiration for years to come
