

T'as encore fait des folies
avec ton corps, cette nuit ?

Bah, tu sais, à l'âge que j'ai,
les seules folies que
je peux faire la nuit,
c'est avec mon cor !

Literature's Elsewheres Annette Gilbert, 2022-04-05 An examination of a series of diverse radical and experimental international works from the 1950s to the present What is a literary work In *Literature's Elsewheres* Annette Gilbert tackles this question by deploying an extended concept of literature examining a series of diverse radical experimental works from the 1950s to the present that occupy the liminal zone between art and literature These works by American Artist Allison Parrish Natalie Czech Stephanie Syjuco Fiona Banner Elfriede Jelinek Dan Graham Robert Barry George Brecht and others represent a pluralized literary practice that imagines a different literature emerging from its elsewheres Investigating a work's coming into being its transition from text to work as a social object and pragmatic category of literary communication Gilbert probes the assumptions and foundations that underpin literature including the ideologies and power structures that prop it up She offers a snapshot from a period of recent literary and art history when such central concepts as originality and authorship were questioned and experimental literary practices ranged from concrete poetry and Oulipo to conceptual writing and appropriation literature She examines works that are dematerialized site specific unique copies of other works and institutional critiques Considering the inequalities exclusions and privileges inscribed in literature she documents the power of experimental literature to attack these norms and challenges the field's canonical geographic boundaries by examining artists with roots in North and South America East Asia and Western and Eastern Europe The cross pollination of literary and art criticism enriches both fields With *Literature's Elsewheres* Gilbert explores what art can't see about the literary and what literature has overlooked in the arts **Australian Journal of French Studies**, 2003 **French Politics and Society**, 1999 **France Abroad** Robert Aldrich, Isabelle Merle, University of Sydney. examines a series of literary hoaxes deceptions that involved flagrant acts of cultural appropriation This book looks at authors who posed as people they were not in order to claim a different ethnic class or other identity These writers were in other words literary usurpers and appropriators who trafficked in what Christopher L Miller terms the intercultural hoax In the United States such hoaxes are familiar Forrest Carter's *The Education of Little Tree* and JT LeRoy's *Sarah* are two infamous examples Miller's contribution is to study hoaxes beyond our borders employing a comparative framework and bringing French and African identity hoaxes into dialogue with some of their better known American counterparts In France multiculturalism is generally eschewed in favor of universalism and there should thus be no identities in the American sense to steal However as Miller demonstrates this too is a ruse French universalism can only go so far and do so much There is plenty of otherness to appropriate This French and Francophone tradition of imposture has never received the study it deserves Taking a novel approach to this understudied tradition *Impostors* examines hoaxes in both countries finding similar practices of deception and questions of harm In this fascinating study of intercultural literary hoaxes Christopher L Miller provides a useful brief history of American literary impostures as a backdrop for his investigation of France's literary history of ethnic usurpation Henry Louis Gates Jr New York Times bestselling author *Mémoires apocryphes d'Augusto Roa Bastos* Eric Courthès, 2010-05-02 Juan un journaliste en 1978 en pleine dictature argentine s'apprête à interviewer septcrivains exilés Il décide que sa première interview sera pour Roa Bastos De la critique en palimpseste de tours et jeux textuels se métamorphosent alors en histoires qui rassemblées forment la biographie apocryphe de l'auteur paraguayen Augusto Roa Bastos le transformant en personnage de fiction **L'OFFRANDE TAHITIENNE NOUVELLES** Olivier Granaud, 2011-09-01 Les douze textes de ce recueil reviennent les divers aspects d'une société qui peut s'avérer aussi complexe et difficile que celle des autres pays d'Europe Dans ces pages au style réaliste et souriant l'humain prend toute sa place et si parfois l'exotisme surgit c'est pour mieux souligner les contrastes d'un cadre de vie idéal et les réalités sociales d'une communauté qui malgré son éloignement et son riche héritage culturel n'a pas chappé aux déboires du monde contemporain **Revue d'histoire littéraire de la France**, 1903 **Revue d'histoire littéraire de la France** Maurice Tourneux, 1920 5, rue des Italiens Bernard Frank, 2007 Recueil d'articles publiés dans le journal *Le Monde* entre 1985 et 1989 Il n'était nullement d'ordonné Il fallait simplement dresser l'oreille lire et écouter attentivement Les idées s'emboîtaient parfaitement dans les mots Le marmonnement n'était que pour nous abuser Il nous faisait croire au découlu de ses chroniques l'emmèlement de sa conversation Rien n'était en fait plus organisé plus construit plus adroit que cette critique faussement négligée Cet homme nous a bien possédés Jean Paul Kauffmann Maintenant il nous reste relire du Frank nous enfoncer dans cette prose duveteuse reconnaître ces phrases au premier coup d'œil ces subordonnées qui s'enchantent d'elles-mêmes ces parenthèses alambiquées qui retombent sur leurs pieds ce fil qui fait semblant de zigzaguer **Robespierre** Friedrich Sieburg, 2003 L'auteur 1893 1964 narre de façon chronologique la vie et les appoints politiques de Robespierre *Cinéma*, 1983 *Le temps partiel à*
