Spirit-Empowered Christianity in the 21st Century Vinson Synan,2011-02-01 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally sound traditionally accurate and experientially real Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America **Christian Contours** Douglas S. Huffman,2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews Christian Contours answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and

practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of *Christian Contours* guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind **Teaching the Faith, Forming the Faithful** Gary A. Parrett,S. Steve Kang,2009-10-16 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries **Comprehensive Dissertation Index** ,1984 Vols for 1973 include the following subject areas Biological sciences Agriculture Chemistry Environmental sciences Health sciences Engineering Mathematics and statistics Earth sciences Physics Education Psychology Sociology Anthropology History Law political science Business economics Geography regional planning Language literature Fine arts Library information science Mass communications Music Philosophy and Religion *Sociological Abstracts* Leo P.
