Tranquility Base Robert Swartz, 2015-07-15 What if you could go back What if you could go back and finish old business Perhaps there was an occasion when you took the wrong road or said the wrong thing What if you were victimized betrayed or abandoned What if you were to go back earlier in your life or previous lives and re do this unfinished business What would your life be like now Roger Remington in this breakthrough novel TRANQUILITY BASE does just that From the blackjack tables at Las Vegas to ancient Egypt Roger goes back He goes back to his birth on Dec 7 1941 the day Pearl Harbor was bombed and deals with the trauma of being born when the United States entered World War II Then in one of his past lives he goes back to Paris in 1843 and discovers he was a French government official who borrowed some government money and then lost it in a Paris gambling hall He finds himself in Russia in 1240 where he was the priest for a small village After being away for awhile he returned home to find that all the villagers had been killed His anger at God tested his most core beliefs In England now 1190 he was a magician The evil Lord of the area wanted to know his secrets and when the magician refused he was killed Roger deals with his demons from the past And so can you **Soul Searching in South America (Black and White)** Teresa Cline, 2011-04-07 HAVE YOU EVER FOUND YOURSELF LOOKING FOR LOVE IN ALL THE WRONG PLACES THEN THOUGHT IF I AM GOING TO KEEP THIS UP I MAY AS WELL DO IT SOMEPLACE WARM *Commercial Space* United States. NASA Tech Briefs, 1986 Uncharted Colette Baron-Reid, 2016-09-20 The best selling author of Messages from Spirit and The Map Where are we going How will we get there In a world of uncertainty most of us don't really know Our challenge is to sail into uncharted waters away from the familiar ways that don't work anymore to discover ourselves and the infinite potential for our lives It's in these as yet undiscovered places within us that we come to recognize what we can be and what we can co create with Spirit If we try to create guided only by the old familiar map of our lives what we create won't be authentic to who we are becoming we'll just be doing the same thing over and over As intuitive counselor and spiritual cartographer Colette Baron Reid explains we need a different kind of map not one that tells us where we've been but one we fill in as each new experience changes us into who we need to be to live our destiny This new map is a map of the soul In Uncharted you'll learn to draw your own map of the soul as Colette guides you on an inward journey through five interconnected realms First you'll get oriented in the Realm of Spirit your home that connects the other four Then you will do the work of self evolution and co creation in the Realms of Mind Light Energy and Form In the Realm of Mind you experience your consciousness intermingled with that of all Consciousness In the Realm of Light you illuminate the darkness and experience transformation as you reclaim lost parts of yourself In the Realm of Energy you consciously direct the forces influencing you In the Realm of Form you see the results of your self evolution manifested in the material world At every step you learn to harness your personal power and turn fear into possibility as you venture into the undiscovered places where
