Transient a Colored Girl's Travels Salihah Simone, 2013-03-08 Debut author Salihah Simone's autobiographical novel *Transient A Colored Girl's Travels* Clean Edition invites readers to experience the adventure romance and self discovery of a brown woman in her twenties on the road. She hopes her anecdotes will encourage more women of color to participate in international experiences that have historically been the purview of white women. Simone's outrageous antics and colorful commentary will often have the reader chuckling aloud in understanding. *Transient* is a unique travel memoir and autobiographical novel because few women of color venture off the beaten path and even fewer write about it. *Transients in California* California. State Relief Administration, 1936 The purpose of the transient study was three fold 1 to discover the extent of the transient problem in California after the shut down of the Federal Transient Service 2 to determine how the communities were meeting the problem 3 to find desirable and practical ways of meeting the problem Foreword **Travel Magazine**, 1916 *Transient* Salihah Simone, 2013-02-01 TRANSIENT A COLORED GIRL'S TRAVELS is the story of a brown girl with an American passport and very little compunction about pursuing what she wants even when she should stop and think it over. Salihah dances drinks dates and attempts to find her purpose in this autobiographical novel that chronicles a young woman's twenties. With a little flirting a lot of signs from her guardian angel and her crew of eclectic travel buddies she makes her way across four continents. Her companions on these escapades include a half Ethiopian half Brazilian dating guru a gay retired ballet dancer and a collection of loves from the beach who can never come home to her real life. *Transient* is a unique travel memoir and autobiographical novel because few women of color venture off the beaten path and even fewer write about it.
