Traumatized - The Lives of Isaiah Jones and Devon Jones Devon Jones, 2015-12-15 Have you ever had a nightmare that seemed way too real A nightmare that feels as if it is happening right then and there There are only two explanations for this particular dream One being that it could just be a figment of your imagination and the other being that it is absolutely not a dream but in fact a tragic reality Unfortunately I had to come to the realization that I was not dreaming on one specific night This one night of all nights was the most horrifying and painful evening that I had ever endured On the night of August 31 2001 at exactly 1 00 am my entire life changed and I didn't blame the Almighty for what had happened Jesus is my Lord and Savior He guided me through my valley of the shadows of death I did fear evil but I knew He was with me He comforted me through my pain and He forever will all the days of my life For without Him I would have shattered into a thousand pieces and melted away in my sorrows I only had one person to talk to inside my thoughts of the dark void I had because you know that a part of yourself is missing I only had one person that would understand me because He knew me before I was in my mother's womb Give all the Glory to God before you enter what it's like to be traumatized For there is a bigger person to blame in this evil world which is the Devil When you work your way up the ranks to who is the one to blame for everything that is happening in our lives especially for the cries that come out of the Black community it all leads to him Follow the money trail and it shows you all the key players that led up to August 31 2001 The drug money that caused this nightmare is pumped into the Black community from our very own government to support everything that you love about the greatest country in the world It's all corrupt because they made billions and billions of dollars off Black lives First being the bloodshed and broke tree branches of slavery Second the war on drugs that still feeds on our communities like leaches to fragile skin The fact of the matter is I thought I was traumatized by what I witnessed But the truth is I was traumatized by just being born into this world We are all traumatized but the sad thing is you don't know it yet and this is why **Encyclopedia of Television Shows** Vincent Terrace, 2018-01-14 This is a supplement to the author's Encyclopedia of Television Shows 1925-2010 It covers 1 612 series broadcast between January 1 2011 and December 31 2016 Major networks ABC CBS the CW Fox and NBC are covered along with many cable channels such as AMC Disney Nickelodeon Bravo Lifetime Discovery TNT Comedy Central and History Channel Alphabetical entries provide storylines casts networks and running dates A performer index is included TV Guide ,2005 *Arts & Humanities Citation Index* ,1993
