Metamorphosis of Memories

Berni G. Plett,2015-04-23 Gustavo Wholgemuth grew up in the landlocked country of Paraguay After traveling the world and settling down in Canada he accepts that his life is what it is a roller coaster ride of re cycled emotions that will only end when mortality finally arrives One day his daughter Julia requests that he should keep his promise and write down all the stories he used to tell her Metamorphosis of Memories is filled with experiences that originate from innocence life and death love and pain and the continuous struggles that a child of Mennonite missionaries deals with accepting his community s well intended yet often misguided religious convictions In these stories Gustavo informs us how he was liberated from prejudice and the condemnation of others by the fortunate encounter with science and the even more fortunate marriage to his soul mate Dulcinea When we recall a life memory we do not remember the original event but the context in which we last recalled it which in turn changes the accuracy of any story Reminiscing about our past is the metamorphosis of our history into colorful stories stories that we all carry etched on wings

Why Not Say What

Happened Morris Dickstein,2015-02-02 A renowned cultural critic tells his own deeply engaging story of growing up in the turbulent American culture of the postwar decades At once a coming of age story an intellectual autobiography and vivid cultural history Why Not Say What Happened is an eloquent gripping account of an intellectual and emotional education from one of our leading critics In this acutely observed slyly funny memoir Molly Haskell Morris Dickstein evokes his boisterous and close knit Jewish family his years as a yeshiva student that eventually led to fierce rebellion his teenage adventures in the Catskills and in a Zionist summer camp and the later education that thrust him into a life changing world of ideas and far reaching literary traditions Dickstein brilliantly depicts the tension between the parochial religious world of his youth and the

siren call of a larger cosmopolitan culture a rebellion that manifested itself in a yarmulka replaced by Yankees cap a Shakespeare play concealed behind a heavy tractate of the Talmud and classes cut on Wednesday afternoons to take in the Broadway theater Tracing a path from the Lower East Side to Columbia University Yale and Cambridge Dickstein leaves home travels widely and falls in love breaking through to new experiences of intimacy and sexual awakening only to be brought low by emotional conflicts that beset him as a graduate student homesickness a sense of cultural dislocation issues that come to a head during a troubled year abroad In *Why Not Say What Happened* we see Dickstein come into his own as a teacher and writer deeply engaged with poetry the daringly modern Blake the bittersweet negotiations of time and loss in Wordsworth and the shifting turns of consciousness itself in Keats While eloquently evoking the tumult of the sixties and a culture in flux *Why Not Say What Happened* is enlivened by Dickstein's Zelig like presence at nearly every significant aesthetic and political turning of the second half of the American twentieth century Cynthia Ozick Dickstein crafts memorable portraits of his own mentors and legendary teachers like Lionel Trilling Peter Gay F R Leavis and Harold Bloom who become inimitable role models They provide him with a world class understanding of how to read and nourish his burgeoning feeling for literature and history In the tradition of classic memoirs by Alfred Kazin and Irving Howe this frank and revealing story at once keenly personal and broadly cultural sheds light on the many different forms education can take
