Tough Questions - Biblical Answers Part II Jack Cottrell, 2001-09-25      *Tough Questions-- Biblical Answers* Jack Cottrell, 1985      *Tough Questions - Biblical Answers Part I* Jack Cottrell, 2001-09-25 This book is based on the conviction that the Bible is God's inerrant word given for all humankind and that it presents the framework of a total life and world view. Its doctrine and its ethical principles are relevant to the social and moral issues of all times. The author contends that until we learn to use the Bible and apply it to such problems as capital punishment, genetic engineering, homosexuality, and labor strikes, we will be at the mercy of today's humanistic value shapers and our own uninformed feelings.      *Evangelical Review of Theology, Volume 46, Number 3, August 2022* Thomas Schirrmacher, 2022-08-25 ERT publishes quality articles and book reviews from around the world, both original and reprinted from an evangelical perspective, reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians, educators, church leaders, missionaries, administrators, and students. The journal is published as a ministry rather than as a commercial project, seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in coordination with the World Evangelical Alliance's broader mission and activities.
