*Tourism* Stephen J. Page, Joanne Connell, 2020-04-29 Tourism can be a challenging subject for students because it is both dynamic and susceptible to economic turbulence and shifts in trends *Tourism A Modern Synthesis* is an essential textbook for tourism students seeking a clear and comprehensive introduction to their studies that addresses these challenges The authors apply a business approach to the subject reflecting developments in the teaching and content of university courses and the text covers both key principles and contemporary themes and issues at a global scale Among the new features and topics included in this fifth edition are New and fully updated case studies to reflect current trends and emerging markets including Africa and Asia Up to date content on disruptive technologies such as Airbnb low cost airlines the e travel revolution and future developments Current debates in sustainable tourism including the anti tourism movement plastic use and the Sustainable Development Goals New content on evolving topics such as future employment human resource management in tourism and generational marketing Fully updated statistics and data A brand new Companion Website including an instructor s manual supplementary case studies weblinks multiple choice questions and PowerPoint slides This is the ideal guide to tourism for students across all levels serving as a point of reference throughout a programme of study

**Railway Photographic Advertising in Britain, 1900-1939** Alexander Medcalf, 2018-03-06 This book explores the phenomenal resources dedicated to understanding and encouraging passengers to consume travel from 1900 to 1939 analysing how place and travel were presented for sale Using the Great Western Railway as a chief case study as well as a range of its competitors both on and off the rails Alexander Medcalf unravels the complex and ever changing processes behind corporate sales communications This volume analyses exactly how the company pictured passengers in the countryside at the seaside in the urban landscape and in the company s vehicles This thematic approach brings transport and business history thoroughly in line with tourism and leisure history as well as studies in visual culture

**Children, Families and Leisure** Heike Schaenzel, Neil Carr, 2018-02-02 This book aims to further academic debate within the leisure and tourism studies community about the role of families in contemporary life and the experiences of families and their children in the leisure environment It is based on the recognition of the diverse nature of the family in the contemporary era and the position of children in families and society in general as active and knowing social agents rather than as passive objects The family is on the one hand our first community with its own special kind of human attachment and on the other a little world on which the larger society is modelled Families form the closest and most important emotional bond in humans This relationship is what drives humanity and society and positions families at the centre of leisure activities This international and multi disciplinary compilation of recent research into children and families examines progress made and challenges ahead for leisure studies It extends the academic discourse to a wider understanding of what families children and their leisure behaviour mean in today s societies This book was originally published as a special issue of *Annals of*

Leisure Research      *The British National Bibliography* Arthur James Wells, 2009      Tourism Stephen Page, Joanne Connell, 2006 This second edition has been completely revised expanded updated and enhanced to include all of the current issues affecting Tourism globally such as the impact of terrorism crime epidemics such as SARS and Avian Flu and natural disasters the role of government in managing and developing Tourism the impact of low cost airlines and the rapid growth of online travel and the effects of the expansion of Tourism to less developed countries BACK COVER      Tourism Stephen Page, 2004      *Tourism* Stephen J. Page, Stephen Page, Paul Brunt, Graham Busby, Jo Connell, 2001 Tourism A Modern Synthesis is an accessible core textbook for tourism focusing on the development and management of tourism in an international context A strong business and management theme pervades the book reflecting developments in the teaching and content of modern courses The book is based around the principles of management and includes case studies emphasising this theme It can be used as a one semester text but its coverage of a broad range of subjects make it a useful resource throughout the three years of a degree course      **Tourism** Stephen Page, Joanne Connell, 2010 Even though Tourism forms a vibrant and dynamic field of study the history and development of it remains uncharted in any significant manner The subject developed in response to a growing interest and recognition of the potential value of tourism to the economy society and culture as well as environmental regeneration In part the evolution of the subject has arisen from the development of a critical interest among social scientists and more latterly business researchers There are no benchmarks on which scholars researchers      Tourism Stephen Page, Joanne Connell, 2010 Even though Tourism forms a vibrant and dynamic field of study the history and development of it remains uncharted in any significant manner The subject developed in response to a growing interest and recognition of the potential value of tourism to the economy society and culture as well as environmental regeneration In part the evolution of the subject has arisen from the development of a critical interest among social scientists and more latterly business researchers There are no benchmarks on which scholars researchers
