The Absence Trilogy Mrinal Sen,1999 Mrinal Sen s films Ekdin Pratidin Kharij and Ekdin Achanak considered amongst his most highly thought of works are sensitive portrayals of the middle class psyche Although not strictly forming a trilogy having being produced years apart each in its own way deals centrally with the idea of absence the sudden absence of one member of a unit exposing the absence of certain values and leading to a qualitative change in relationships and attitudes

amongst those left behind A thoughtful and discursive introductory essay explores this common thread that runs through the structure of these three very different films This volume contains shot by shot reconstructions post production filmscripts of all three films as well as a comprehensive introductory essay which reads them from the point of view of absence and its impact on the present and future of the people involved The volume is profusely illustrated with black and white reproductions of scenes from the films
