Photocopy manuals and illustrated spare parts lists are reproduced with the consent of the copyright holders. The new page arrangement is also itself copyright and that of Bruce Main-Smith & Co. Ltd. Further reproduction, in whole or part, is expressly forbidden. In some cases we have deleted passages which are irrelevant today, due to factory closures, e.g. spare ordering procedures, warranty claims systems and telephone numbers of factories now closed down.

The page numbering may be changed as a result but the sequence of the original is preserved. Nothing is ever deleted. In this way the cost of photocopying may be kept down. Whilst every effort is made to produce photocopies of the highest quality, the final reproduction is dependant on the state of preservation of the original manual or parts list.
