Conflict in the Miracle Stories Evert-Jan Vledder, 1997-10-01 Matthew's Gospel is a witness to conflicting interests The leaders of Israel are part of the so called retainer class who pursue their own interests by promoting the interests of the Roman rulers Jesus and the Matthaean community on the contrary acts on behalf of the marginalized in society Jesus challenges the underlying values of the leaders who contrary to what is expected do not forgive and act mercifully The leaders try to resolve the conflict negatively by labelling Jesus as possessed by the devil At the same time the conflict spirals onward the Matthaean community is called to act in the interests of the marginalized It is Vledder's special

contribution to Matthaean study that he brings to light the underlying dynamics of this conflict in a stimulating sociological study

Criminal Justice Theory Edward R. Maguire, David E. Duffee, 2008-03-25 Criminal Justice Theory is the first comprehensive volume on the theoretical foundations of criminal justice. The authors argue that theory in criminal justice is currently underdeveloped and inconsistently applied, especially in comparison to the role of theory in the study of crime itself. In the diverse range of essays included here, the authors and contributors integrate examples from the study of criminal justice systems, judicial decision making, courtroom communities, and correctional systems, building the argument that students of criminal justice must not evaluate their discipline solely on the basis of the effectiveness of specific measures in reducing the crime rate. Rather, if they hope to improve the system, they must acquire a systematic knowledge of the causes behind the structures, policies, and practices of criminal justice.

Critical Issues in Peace and Conflict Studies Thomas Matyók, Jessica Senehi, Sean Byrne, 2011-05-19 Peace and Conflict Studies (PCS) includes scholars and practitioners throughout the world working in peace studies, conflict analysis, and resolution, conflict management, appropriate dispute resolution, and peace and justice studies. They come to the PCS field with a diversity of ideas, approaches, disciplinary roots, and topic areas, which speaks to the complexity, breadth, and depth needed to apply and take account of conflict dynamics and the goal of peace. Yet a number of key concerns and dilemmas continue to challenge the field.

Critical Issues in Peace and Conflict Studies: Theory, Practice, and Pedagogy, edited by Thomas Matyók, Jessica Senehi, and Sean Byrne, is a collection of essays that explores a number of these issues, providing a means by which academics, students, and practitioners can develop various methods to confront the complexity of contemporary conflicts. Critical Issues in Peace and Conflict Studies discusses the emerging field of PCS and suggests a framework for the future development of the field and the education of its practitioners and academics. The book has a wide audience, targeting students at the undergraduate, graduate, and postgraduate levels. It also extends to those working in and leading community conflict resolution efforts, as well as humanitarian aid workers.

The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America, but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems. Thus, this five-volume work surveys the history and philosophy of crime, punishment, and criminal justice institutions in America from colonial times to the present. It covers the whole of the criminal justice system, from crimes, law enforcement, and policing to courts, corrections, and human services. Among other things, this encyclopedia explicates philosophical foundations underpinning our system of justice, charts changing patterns in criminal activity and subsequent effects on legal responses, identifies major periods in the development of our system of criminal justice, and explores, in the first four volumes supplemented by a fifth volume containing annotated primary documents, evolving debates and conflicts on how best to address issues of crime and punishment. Its signed entries in the first four volumes

supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice
