conferences and Music Producer **Five Minutes with Jesus** Randal A. Wiedemann, 2015-10-29 Today's culture is overscheduled typically characterized by short attention spans. We want to compress our lives into small bite-sized pieces. Taking this approach with Jesus can draw us into a relationship that becomes the focus of our delight. Eventually our desire for true life is whetted by brief meetings with Jesus. The longer we spend with Him, the more His divinely radioactive life infuses ours with the power of an endless life. The irony of the book title is that five minutes with Jesus is never enough. **Five Minutes with Jesus** presents a daily devotional that focuses on meeting with Jesus in ways that may be new to some Christians. Each day author Randal Wiedemann takes a look at a different aspect of Jesus, the most discussed person in history. Wiedemann focuses on how to live the Christian faith with delight, depth, meaning, compassion, and joy. You will discover and be reminded that this is only possible when Jesus Christ lives in and through us. **Five Minutes with Jesus** is about spending quality time with God. For those who know Jesus, it is a joy to go to that secret inner place of the heart and meet with Him. For those who do not, there may be a vague sense of looking for something. You may not know what it is, you are looking for, but when you find it, don't be surprised if it's Jesus.

100 Days Prayers to Wake Up Your Lazarus Prayer M Madueke, 2020-05-22 The problem of millions of people all over the world can be traced to the burial of their destinies by evil powers. When someone's destiny is buried, it continues to stink in the grave like Lazarus' corpse. With that kind of condition, problems like non-achievement, poverty, failure at the edge of breakthroughs, constant disappointments, and fruitless hardworking are rife. Many struggle but end up achieving nothing. For some, there are good prospects, opportunities, promotions, and breakthroughs that are locked up in the grave. Such people need the voice of power to sound out aggressively in their situations. The problem of Lazarus cannot be handled with gentle prayers. It needs constant bombardments for a number of days. Whatever has been buried in your life, family, ministry, or business will receive the touch of fire and become resurrected. This book is a user-friendly prayer manual. It is powerful, prophetic, and result-oriented. Within three months and a few days, you can undertake a systematic prayer journey, spending between 30 minutes to 1 hour to pray the prayer that will change your destiny forever. If you are tired of having your potentials locked up in the enemy's prison and you want to say bye to living like a servant among your colleagues, you must handle these prayer points faithfully and aggressively. Your access to this book is a life-time opportunity to experience a change of destiny from barrenness to fruitfulness, failure to success, weakness to strength, poverty to prosperity, non-achievement to great exploits, and from mediocrity to excellence. With this book in your hands, Satan, stubborn pursuers, household wickedness, and foundational witchcraft are in trouble. Let me assure you soon and very soon your dead bones will rise again; all pieces of grave cloth will be burnt by fire, and your Lazarus shall become a prince in the land of the living.

100 Days Prayers to Wake Up Your Lazarus in 2023 Prayer M Madueke, 2025-05-31 This book is a user-friendly prayer manual. You can use it to embark on a systematic prayer journey that will transform your destiny forever.
