Trinity The God We Dont Know:

Trinity Dr. Jason Byassee, 2015-05-19 Most people assume they know what they mean when they use the word God They mean a powerful old guy in the sky ready to obliterate us if we do wrong but basically benevolent if a little senile The Christian doctrine of the Trinity shows us God is vastly more interesting God is actually fleshed among us in Jesus poured out on us in the Holy Spirit s intoxication of the church God is three divine persons in perfect harmony and beauty and God invites us into that unimaginable intimacy We don t know this God but we should Trinity uses scripture the Early Church tradition and some modern theology to argue that God is a mystery whom we can t understand but who can shape our misunderstanding to allow for faithful living and holy love of God and neighbor Jason Byassee thinks like a theologian writes like a journalist and communicates like a storyteller We live in a time of trinitarian dissonance when the central doctrine of the Christian faith is strangely neglected by most Christians Byassee s wonderful exploration of the Trinity offers a remedy for that by providing a meat and potatoes introduction to the God who is at once Father Son and Holy Spirit An excellent spiritual guide for both mature Christians and those brand new to the Christian faith Rev Dr Andrew C Thompson Assistant Professor of Historical Theology Wesleyan Studies Memphis Theological Seminary Memphis TN and Wesley Scholar for the Arkansas Conference of the United Methodist Church In trying to communicate the trinitarian relationship Byassee succeeds in making the indescribable a little more coherent while reminding us of the all consuming love of God Trinity is a little book of rigorous thought and deep devotion It is rare these days to find a work of theology that stirs the intellect the heart and the spirit And I have to admit in reading this book I fell in love with the Holy Spirit all over again Enuma Okoro Nigerian American writer speaker and award winning author of *Reluctant Pilgrim* *Silence and Common Prayer* *A Liturgy for Ordinary Radicals* *Christ Plays in Ten Thousand Places* Eugene H. Peterson, 2008-01-29 Lamenting the vacuous often pagan nature of contemporary American spirituality Peterson firmly grounds spirituality once more in Trinitarian theology and offers a clear practical statement of what it means to actually live out the Christian life **Late Have I Loved Thee** Augustine of Hippo, 2006-12-05 The first collection of Saint Augustine s varied writings on human and divine love chosen to reflect his lifelong preoccupation with *ordo amoris* the principle of rightly directed love My weight is my love Saint Augustine writes in *The Confessions* He sees our ability to love as disordered by sin so that we often choose badly what and how to love Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered *Late Have I Loved Thee* draws on the riches found in Augustine s sermons letters treatises and Scripture commentaries as well as passages from *The Confessions* and *City of God* Augustine 354 430 A D was the most prolific writer of Christian antiquity and the most influential theologian in Church history In his first encyclical *God Is Love* current Pope Benedict XVI acknowledges his indebtedness to him When we read Augustine today we encounter the same direct eloquent passions his original listeners experienced infused with his deep sense of human weakness and burning desire for union with God **The Doctrinal**

Treatises St. Augustine of Hippo, 2017-08-31 The most weighty of the doctrinal treatises is that on the Holy Trinity The Latin original *De Trinitate contra Arianos libri quindecim* is contained in the 8th volume of the Benedictine edition It is the most elaborate and probably also the ablest and profoundest patristic discussion of this central doctrine of the Christian religion unless we except the Orations against the Arians by Athanasius the Father of Orthodoxy who devoted his life to the defense of the Divinity of Christ Augustine owing to his defective knowledge of Greek wrote his work independently of the previous treatises of the Eastern Church on that subject He bestowed more time and care upon it than on any other book except the *City of God* Besides this treatise the following works are included *The Enchiridion or On Faith Hope and Love* *On the Catechising of the Uninstructed* *Treatise on Faith and the Creed Concerning Faith of Things not Seen* *On the Profit of Believing* *On the Creed*
