Whats Good For Business Business And American Politics Since World War II:

What's Good for Business: Business and American Politics since World War II Kim Phillips-Fein, Julian E.

Zelizer, 2012-03-13 This volume showcases the most exciting new voices in the fields of business and political history While the media frequently warns of the newfound power of business in the world of politics the authors in this book demonstrate that business has mobilized to shape public policy and government institutions as well as electoral outcomes for decades Rather than assuming that business influence is inevitable the chapters explore the complex evolution of this relationship in a wide range of different arenas from attempts to create a corporate friendly tax policy and regulations that would work in the interests of particular industries to local boosterism as a weapon against New Deal liberalism to the nexus between evangelical Christianity and the oil industry to the frustrations that business people felt in struggles with public interest groups The history that emerges show business actors organizing themselves to affect government in myriad ways sometimes successfully but other times with outcomes far different than they hoped for The result in an image of American politics that is more complex and contested than it is often thought to be The essays represent a new trend in scholarship on political economy one that seeks to break down the barriers that once separated old subfields to offer a vision of the economy as shaped by politics and political life influenced by economic relationships Billy Graham Andrew Finstuen, Grant

Wacker, Anne Blue Wills, 2017-05-24 Billy Graham stands among the most influential Christian leaders of the twentieth century Perhaps no single doctrine practice political position or preacher has united the sprawling and diverse world of evangelicalism like Billy Graham Throughout his six decade career Graham mainstreamed evangelicalism and through that tradition brought about major changes to American Christianity global Christianity church and state the Cold War race relations American manhood intellectual life and religious media and music His life and career provide a many paned window through which to view the history and character of our present and recent past Billy Graham American Pilgrim offers groundbreaking accounts of Graham s role in shaping these phenomena Graham stayed true to evangelical precepts yet journeyed to positions in religion politics and culture that stretched his tradition to its limits This book s distinguished contributors capture Graham s evolution and complexity Like most people he grew in fits and starts But Graham s growth occurred on an international stage influencing the world around him in ways large and small This book delves into this influence going beyond conventional subjects and taking a fresh and nuanced look at the complex life and legacy of one of the most important figures of the last century Capitalism Contested Romain Huret, Nelson Lichtenstein, Jean-Christian

Vinel, 2020-12-11 In the historical narrative that prevails today the New Deal years are positioned between two equally despised Gilded Ages the first in the late nineteenth century and the second characterized by the world of Walmart globalization and right wing populism in which we currently live What defines these two ages is an increasing level of inequality legitimized by powerful ideologies namely Social Darwinism at the end of the nineteenth century and neoliberalism

today In stark contrast the era of the New Deal was first and foremost an attempt to put an end to inequality in American society In the historical longue dur e it appears today as a kind of golden age when policymakers and citizens sought to devise solutions to the two major questions labor on one side social on the other that were at the heart of the American political economy during the twentieth century Capitalism Contested argues that the New Deal order remains an effective framework to make sense of the transformation of American political economy over the last hundred years Contributors offer an historicized analysis of the degree to which that political economic and ideological order persists and the ways in which it has been transcended or even overthrown The essays pay attention not only to those ideas and social forces hostile to the New Deal but to the contradictions and debilities that were present at the inauguration or became inherent within this liberal impulse during the last half of the twentieth century The unifying thematic among the essays consists not in their subject matter politics political economy social thought and legal scholarship are represented but in a historical quest to assess the transformation and fate of an economic and policy order nearly a century after its creation Contributors Kate Andrias Romain Huret William P Jones Nelson Lichtenstein Nancy MacLean Isaac William Martin Margaret O Mara K Sabeel Rahman Timothy Shenk Elizabeth Tandy Shermer Jason Scott Smith Samir Sonti Karen M Tani Jean Christian Vinel *Labor in the Age of Finance* Sanford M. Jacoby, 2021-06 From award winning economic historian Sanford M Jacoby a fascinating and important study of the labor movement and shareholder capitalism Since the 1970s American unions have shrunk dramatically as has their economic clout Labor in the Age of Finance traces the search for new sources of power showing how unions turned financialization to their advantage Sanford Jacoby catalogs the array of allies and finance based tactics labor deployed to stanch membership losses in the private sector By leveraging pension capital unions restructured corporate governance around issues like executive pay and accountability In Congress they drew on their political influence to press for corporate reforms in the wake of business scandals and the financial crisis The effort restrained imperial CEOs but could not bridge the divide between workers and owners Wages lagged behind investor returns feeding the inequality identified by Occupy Wall Street And labor s slide continued A compelling blend of history economics and politics Labor in the Age of Finance explores the paradox of capital bestowing power to labor in the tumultuous era of Enron Lehman Brothers and Dodd Frank **Jimmy Carter and the Birth of the Marathon Media Campaign** Amber Roessner, 2020-05-20 With the rise of Jimmy Carter a former Georgia governor and a relative newcomer to national politics the 1976 presidential election proved a transformative moment in U S history heralding a change in terms of how candidates run for public office and how the news media cover their campaigns Amber Roessner s Jimmy Carter and the Birth of the Marathon Media Campaign chronicles a change in the negotiation of political image craft and the role it played in Carter s meteoric rise to the presidency She contends that Carter s underdog victory signaled a transition from an older form of party politics focused on issues and platforms to a newer brand of personality politics driven by the manufacture of a political image Roessner offers a

new perspective on the production and consumption of media images of the peanut farmer from Plains who became the thirty ninth president of the United States Carter s miraculous win transpired in part because of carefully cultivated publicity and advertising strategies that informed his official political persona as it evolved throughout the Democratic primary and general election campaigns To understand how media relations helped shape the first post Watergate presidential election Roessner examines the practices and working conditions of the community of political reporters public relations agents and advertising specialists associated with the Carter bid She draws on materials from campaign files and strategic memoranda radio and TV advertisements news and entertainment broadcasts newspaper and magazine coverage and recent interviews with Carter prominent members of his campaign staff and over a dozen journalists who reported on the 1976 election and his presidency With its focus on the inner workings of the bicentennial election Jimmy Carter and the Birth of the Marathon Media Campaign offers an incisive view of the transition from the yearlong to the permanent campaign from New Deal progressivism to New Right conservatism from issues to soundbites and from objective news analysis to partisan commentary

The Routledge History of Twentieth-Century United States Jerald Podair,Darren Dochuk,2018-05-02 The Routledge History of the Twentieth Century United States is a comprehensive introduction to the most important trends and developments in the study of modern United States history Driven by interdisciplinary scholarship the thirty four original chapters underscore the vast range of identities perspectives and tensions that contributed to the growth and contested meanings of the United States in the twentieth century The chronological and topical breadth of the collection highlights critical political and economic developments of the century while also drawing attention to relatively recent areas of research including borderlands technology and disability studies Dynamic and flexible in its possible applications The Routledge History of the Twentieth Century United States offers an exciting new resource for the study of modern American history

Corporations and Citizenship Greg Urban,2014-05-26 President Theodore Roosevelt once proclaimed Great corporations exist only because they are created and safeguarded by our institutions and it is therefore our right and duty to see that they work in harmony with those institutions But while corporations are ostensibly regulated by citizens through their governments the firms in turn regulate many aspects of social and political life for individuals beyond their own employees and the communities that support them Corporations are endowed with many of the same rights as citizens such as freedom of speech but are not themselves typically constituted around ideals of national belonging and democracy In the wake of the global financial collapse of 2008 the question of what relationship corporations should have to governing institutions has only increased in urgency As a democratically sanctioned social institution should a corporation operate primarily toward profit accumulation or should its proper goal be to provision society with needed goods and services Corporations and Citizenship addresses the role of modern for profit corporations as a distinctive kind of social formation within democratic national states Scholars of legal studies business ethics politics history and anthropology bring their

perspectives to bear on particular case studies such as Enron and Wall Street as well as broader issues of belonging social responsibility for profit higher education and regulation Together these essays establish a complex and detailed understanding of the ways corporations contribute positively to human well being as well as the dangers that they pose

Resisting Reagan Joe J. Ryan-Hume, 2025-06-10 Liberalism is at a crossroads It will either evolve to meet the issues of the 1980s or it will be reduced to an interesting topic for Ph D writing historians So stated the young Massachusetts Senator Paul Tsongas in June 1980 in the keynote address before the liberal organization Americans for Democratic Action Tsongas s statement was a bracing critique of the liberal establishment and a call to creative action in the face of the new economic social and political realities that had engulfed the country since the 1960s While liberal leadership failed to pivot enough to maintain the presidency many were shocked by and dismissive toward Tsongas s message Ronald Reagan s election forced Democrats to change their approach According to a widespread consensus the country during the Reagan era moved inexorably to the Right as liberalism experienced a sustained period of decline and marginalization On this view an increasingly dominant conservative movement overwhelmed New Deal liberalism and forced Democrats to retreat or accommodate the new conservative order Drawing on a wealth of archival research Joe J Ryan Hume argues that liberalism had far more success during this period than historical orthodoxy would suggest Ryan Hume examines how grassroots liberal organizations such as NOW NARAL and the Leadership Conference on Civil Rights reformed their strategies in the wake of the Reagan Revolution to remain influential By focusing on the nexus of grassroots activism political ideology and party politics *Resisting Reagan* reveals the complex reorientation of liberalism and the Democratic Party in the 1980s In doing so it illuminates how the changing activist and electoral coalition reshaped the Democratic Party s political priorities how liberal grassroots organizations creatively advanced their policy objectives and how liberals pragmatically brokered legislation to protect or advance liberalism in an increasingly anti government environment Liberals survived the Reagan era according to Ryan Hume by changing tone instead of substance building powerful coalitions and designing new strategies to exploit emerging trends By looking at 1980s politics from the bottom up *Resisting Reagan* offers a surprising view at a period that offers lessons for today

The "Disguised" Political Film in Contemporary Hollywood Betty Kaklamanidou, 2018-04-19 With strict guidelines on methodology and time frame films produced after September 2001 and a socio semiotic theoretical framework Betty Kaklamanidou unpacks the problematic terms and ideas that go along with defining a new genre Kaklamanidou considers a different sub genre per chapter placing each group of films in their socio historical context to reach conclusions about the production of political films in millennial Hollywood In shifting the terms of the debate *The Disguised Political Film in Contemporary Hollywood* offers a fresh new

approach to the subject of the political film The political film is not a clearly delineated object but rather an elusive one and resistant to clear boundaries So what is a political film Can The Hunger Games 2012 belong to the same category as Lincoln 2012 Is Jarhead 2005 a political movie simply because it is set during the Gulf War but with no reference to the motives of the conflict and or American and Arab relations and thus in the same group of war films such as The Three Kings 1999 another narrative that focuses on the same military conflict but includes direct commentary to governmental and military strategies Are historical films by definition political since the majority deals with significant events and or people in a specific socio cultural landscape The President and American Capitalism since 1945 Mark H. Rose, Roger Biles, 2017-11-14 The book examines the development of the U S presidency since 1945 and describes the many ways some of which are unknown or greatly underappreciated in which the president s actions affect the daily lives of the American people

Whats Good For Business Business And American Politics Since World War Ii Introduction

In the digital age, access to information has become easier than ever before. The ability to download Whats Good For Business Business And American Politics Since World War Ii has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Whats Good For Business Business And American Politics Since World War Ii has opened up a world of possibilities. Downloading Whats Good For Business Business And American Politics Since World War Ii provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Whats Good For Business Business And American Politics Since World War Ii has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Whats Good For Business Business And American Politics Since World War Ii. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Whats Good For Business Business And American Politics Since World War Ii. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Whats Good For Business Business And American Politics Since World War Ii, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Whats Good For Business Business And American Politics

Since World War Ii has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Whats Good For Business Business And American Politics Since World War Ii Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Whats Good For Business Business And American Politics Since World War Ii is one of the best book in our library for free trial. We provide copy of Whats Good For Business Business And American Politics Since World War Ii in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Whats Good For Business Business And American Politics Since World War Ii. Where to download Whats Good For Business Business And American Politics Since World War Ii online for free? Are you looking for Whats Good For Business Business And American Politics Since World War Ii PDF? This is definitely going to save you time and cash in something you should think about.
