The Miracle of Our Universe Bernard Haisch, Marsha Sims, 2023-10-02 A fascinating comprehensive and accessible exploration of life's most fundamental questions If you're wondering who we are and why we're here this book is a great place to start Mark Guber award winning author of *An End to Upside Down Thinking* and board member at the Institute of Noetic Sciences Is our physical universe actually a virtual simulation that is thought into existence by consciousness Noted astrophysicist and #1 bestselling author Bernard Haisch explores the frontiers of science consciousness and God revolutionizing our understanding of the universe and what's behind it all Have you ever wondered why and how the world around you came to exist and whether there might be another experience awaiting you after the physical body dies Might there actually be a God and a heaven of some sort Without consciousness there is nothing The hypothesis presented in this book is that our seemingly physical universe of matter and energy is a virtual simulation which is thought into existence by a universal consciousness which we call God Authors Bernard Haisch and Marsha Sims tackle age old metaphysical questions such as the following Are near death experiences real What is the zero point field What kind of being could God be Is there some place that God could have come from How does the Big Bang figure into this Is there an afterlife and what could it be like What is the purpose of life Is consciousness all there is Is the universe a virtual reality Why is hell impossible

Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also

accessible to church leaders and laypeople Treasures from an Old Book Lorin Bradbury Ph.D.,2025-05-21 This book is unique in that it is not another commentary on the book of Proverbs it is a practical application of each proverb written by Solomon and included in chapters 10 and 11 of the book of Proverbs These lessons were originally taught to the Bethel United Pentecostal Church in Bethel Alaska on Wednesday evenings between 2003 and 2008 In current form these lessons are excellent devotionals easily read in one setting Ever since I got my hands on a copy of Treasures from an Old Book Ancient Wisdom for a Modern World Volume 1 I've been eagerly looking forward to receiving Volume 2 Once again Dr Lorin Bradbury provides valuable insights through these lessons that are beneficial to both teachers and students I highly recommend this excellent resource on the book of Proverbs C Anthony Ballester Pastor New Destiny Worship Center Clearwater Florida Treasures from an Old Book Volume 2 The author draws from the rich treasure trove of Scripture and offers timeless wisdom from the book of Proverbs expertly unpacked to provide practical insights for everyday life Justin Henry Evangelist Youth Pastor Odessa Texas Treasures from an Old Book Volume 2 Each lesson is a Gold Mine of knowledge I count it a high privilege to comment on Dr Lorin Bradbury's book presentation I want to express that only a consecrated life of Holiness like Dr Bradbury's reflects lessons that keep us mindful of the light that the Word of God produces for our families Solomon asked for divine wisdom and God allowed him to express God's wisdom for our lives Dr Bradbury is another conduit of God's wisdom for us today I have no doubt the Lord inspired this book Read this book and be blessed Ron Guidroz Evangelist Brenham Texas **God's Hole-In-One and Other Miracles** John Corfield,2019-01-16 God's Hole in One and Other Miracles is a book about the Lord's miraculous workings in the life of one ordinary Christian The book begins with an unusual event which happened a few months after the author found faith in Jesus Christ as his personal Savior and Lord He already had a series of miracles which led him to his knees in thanking God for his redemption Therefore he really didn't need the unusual event to confirm his faith However the irrefutable event listed first in this book it is hoped should most assuredly be found compelling The rest of the book details a series of miracles in the author's Christian life of forty three years They include healings lifesavers a calling and a few wonderful discoveries The original purpose of the book was to encourage Christians of all denominational nondenominational and independent churches to not be afraid to share their personal miracles with others Many today are intimidated to keep those events to themselves However we live in an age where biblical doctrine has been watered down to such an extent that many don't really know what to believe any longer God's Hole in One has also an evangelistic mission Every person alive could have a personal relationship with Jesus Christ if they only knew the truth of who Jesus is He had a mission to offer himself as the sacrificial lamb that would take away the sins of the world as well as its penalty An explanation of Christ's finished work on the cross and what it means is woven throughout the chapters He has made an offer to all of us to live with Him forever but few today seem to understand what that means The miracles presented in this book should encourage all who read it to seriously consider the claims of Christ As he said You

will know the truth and the truth will set you free John 8 32 His truth is so easy to see that even a child can understand it He who has it will be free indeed John 8 36 The journey of miracles of this ordinary Christian many against very high odds was the Lord s doing and it is finally time to share it with all who will listen John has been presenting his message The Importance of Miracles in a Christian s Life to churches in Arizona It s not about the book it s a message of encouragement for all Christians in these chaotic times If anyone would like to have John present his message to their church Christian school adult Sunday school class Bible study or any other Christian group please contact John at godsholeinone gmail com
