

I'll admit
I'm in love with a married woman
She has children
She has a happy life
There are no possibilities.
Maybe that's the beauty
Maybe that's the allure.
I'm not the first man
To be in love with a married woman
And I'll not be the last.
But life moves on
Melancholy hearts are broken
And time heals everything
I hope.

To Woman From Man Love Poems:

To Woman, from Man A. JARRELL. HAYES, 2010-11-06 This chapbook is a declaration of masculine love for the feminine The collection focuses on four types of love Romantic Love Unrequited Love Sexual Love and Love for Family The poems reflect the innermost feelings of men when they are unable to find the right words of expression **A Study Guide for Leslie Marmon Silko's "Love Poem"** Gale, Cengage Learning, A Study Guide for Leslie Marmon Silko's Love Poem excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **The Love Poems of John Donne** John Donne, 1595-1633 John Donne's standing as one of the greatest poets in the English language is now thoroughly established and critics such as T S Eliot and F R Leavis have found in Donne's poetry qualities profoundly responsive to the modern age While Donne is famous for his religious poetry his love poems are among the most beautiful ever written and this collection brings them together for the first time Donne was a man who knew all the many faces of love physical passion jealousy rapture grief and parting and possessed the genius to distill his experiences into poetry The potency of his writing has lost none of its effect Donne's love poetry taps the reservoir of feelings and emotions common to all human beings Before Donne was ordained as a priest in 1615 he wrote sonnets such as The Dream and The Ecstasy elegies such as To His Mistress Going to Bed and Love's Progress and wedding songs St Valentine's Day and Epithalamion all of which glitter with an eroticism that truly marries body and soul Charles Fowkes author of a critically acclaimed biography of Rembrandt and several anthologies of short stories has gathered those poems in which Donne is most passionate and most lyrical The result is this lovely volume the perfect gift for every beloved a book of poems to press flowers in and to keep by the heart A Hundred Love Poems from Old Korea, 2021-11-22 Korea's traditional love poetry is little known in the West This anthology contains examples of all genres vernacular to long lyrical poems A witty informative commentary links the poems and sets them in context **The Poems of John Dewey** John Dewey, 1859-1952 A literary discovery of considerable magnitude these 98 previously unpublished poems by John Dewey written principally in the 1910-18 period illuminate an emotive aspect in his intellectual life often not manifest in the prose works Rumors of the existence of the poems have circulated among students of Dewey's life and writings since 1957 when Mrs Roberta Dewey gained possession of them from the Columbia University Columbian collection But except for the few persons who saw copies made by the French scholar Deladelle five years after Dewey's death the poems have remained inaccessible until now None of the poems has hitherto been published Mrs Roberta Dewey and Dewey's children from his first marriage seem not to have known of Dewey's experiments in verse during his lifetime And as evidence presented here now shows only two or three acquaintances knew of actual poems written by Dewey one of them the Polish American novelist Anzia Yezierska who had a brief emotional involvement with Dewey in the 1917-18 period The factual

rather than inferential evidence of Dewey's relationship with Anzia Yezierska appears in the poems which taken as a whole provide revealing insights into Dewey's feelings and illuminate not only aspects of his emotions but of his thought as well. The fact that Dewey did not publish the poetry himself together with the circumstances of its discovery and unusual history has led to the exceptionally careful editorial treatment of the poems given here. Scholars will find all the evidence for the authorship of the manuscripts clearly presented and all the changes and alterations carefully recorded. This edition has received the Modern Language Association of America Center for Editions of American Authors Seal as an approved text.

F. M. Benecke, 2022-08-21. In *Antimachus of Colophon and the Position of Women in Greek Poetry* E F M Benecke delves into the intricate interplay of gender roles within early Greek literature foregrounding the contributions and representations of women in the works of Antimachus. Benecke employs a meticulous literary analysis situating Antimachus not only within a historical framework but also addressing broader societal norms that influenced poetic expressions and themes in his time. Through close readings of texts and a nuanced examination of their reception, the book reveals how Antimachus' portrayal of women both reflects and contests the patriarchal structures of ancient Greek society, ultimately enriching our understanding of gender in classical literature. E F M Benecke, a distinguished scholar of ancient Greek literature, draws on her extensive background in classical studies, linguistics, and gender theory to elucidate the cultural dynamics of poetry in ancient Greece. Her fascination with the intersection of literature and social issues likely stems from her academic journey where she consistently explored themes of identity, power, and representation, thereby sharpening her critical lens on how historical narratives are shaped by gender. This book is an essential read for anyone interested in classical literature, feminist literary criticism, or the complexities of ancient Greek society. Benecke's insightful analysis challenges traditional interpretations and invites readers to reconsider the pivotal roles women play within ancient texts, making it a vital addition to the library of both scholars and aficionados of Greek poetry. Sara Teasdale, Woman & Poet William Drake, 1989. Biography of twentieth-century poet Sara Teasdale, drawing from personal papers that had been withheld from publication for nearly fifty years after her death, to reconstruct her tragic history and including samples of her poetry and prose. Ephemera Critica John Churton Collins, 2018-09-20. Reproduction of the original *Ephemera Critica* by John Churton Collins. Woman's Power, Man's Game Joy K. King, Mary DeForest, 1993-01-01. *Woman's Power, Man's Game* is a revealing and thoughtful analysis of women in antiquity as portrayed in classical literature. The book features essays by 12 classicists who provide provocative examinations of significant aspects of female situations in antiquity.
