To Each His Own By Leonardo Sciascia:

The Shadow of the Precursor Nena Bierbaum,2011-10-18 A shadow in its most literal sense is the projection of a silhouette against a surface and the obstruction of direct light from hitting that surface For writers and artists the shadows cast by their precursors can be either a welcome influence one consciously evoked in textual production via homage or bricolage or can manifest as an intrusive haunting prohibitive presence one which threatens to engulf the successor Many writers and artists are affected by an anxious and ambiguous relationship with their precursors while others are energised by this relationship The role that intertextuality plays in creative production invites interrogation and this publication explores a range of conscious and unconscious influences informing relations between texts and contexts between predecessors and successors The chapters revolve around intertextual influence ranging from conscious imitation and intentional allusion to Julia Kristeva's idea of intertextuality Do all texts contain references to and even quotations from other texts Do such references help shape how we read This multidisciplinary work includes chapters on the long shadows cast by Shakespeare Dante Scott Virgil and Ovid the shadows of colonial precursors on postcolonial successors the shadows cast over Kipling and Murdoch and chapters on other writers dramatists and filmmakers and their relationships with precursor figures With its focus on intertextual relationships this book contributes to the thriving fields of adaptation studies and studies of intertextuality

To Each His Own Leonardo Sciascia,1992 This is a short powerful novel dealing with the complicities and accommodations of power within Italian politics

Samskara U.R. Ananthamurthy,2017-01-10 Samskara is one of the acknowledged masterpieces of modern world literature a book to set beside Chinua Achebe's Things Fall Apart and Tayeb Salih's Season of Migration to the North Taking its name from a Sanskrit word that means rite of passage but also moment of recognition it begins when Naranappa an inhabitant of a small south Indian town and a renegade Brahmin who has

scandalously flouted the rules of caste and purity for years eating meat drinking alcohol marrying beneath him mocking God unexpectedly falls ill and dies The question of whether he should be buried as a Brahmin divides the other Brahmins in the village For an answer they turn to Praneshacharyah the most devout and respected member of their community an ascetic who also tends religiously to his invalid wife Praneshacharyah finds himself unable to provide the answer though an answer is urgently needed since as he wonders and the villagers wait and the body festers more and more people are falling sick and dying But when Praneshacharyah goes to the temple to seek a sign from God he discovers something else entirely unless that something else is also God Samskara is a tale of existential suspense a life and death encounter between the sacred and the profane the pure and the impure the ascetic and the erotic

Memories of Starobielsk Jozef Czapski, 2022-03-01 Vivid accounts of life in a Soviet prison camp by the author of *Inhuman Land* Interned with thousands of Polish officers in the Soviet prisoner of war camp at Starobielsk in September 1939 Jozef Czapski was one of a very small number to survive the massacre in the forest of Katyn in April 1940 *Memories of Starobielsk* portrays these doomed men some with the detail of a finished portrait others in vivid sketches that mingle intimacy with respect as Czapski describes their struggle to remain human under hopeless circumstances Essays on art history and literature complement the memoir showing Czapski's lifelong engagement with Russian culture The short pieces on painting that he wrote while on a train traveling from Moscow to the Second Polish Army's strategic base in Central Asia stand among his most lyrical and insightful reflections on art

Theorem Pier Paolo Pasolini, 2023-11-07 This tale about seduction obsession family and the confines of capitalism is one of director Pier Paolo Pasolini's most fascinating creations based on his transcendent film of the same name *Theorem* is the most enigmatic of Pier Paolo Pasolini's four novels The book started as a poem and took shape both as a work of fiction and a film also called *Theorem* released the same year In short prose chapters interspersed with stark passages of poetry Pasolini tells a story of transfiguration and trauma To the suburban mansion of a prosperous Milanese businessman comes a mysterious and beautiful young man who invites himself to stay From the beginning he exercises a strange fascination on the inhabitants of the house and soon everyone from the busy father to the frustrated mother from the yearning daughter to the weak-willed son to the housemaid from the country has fallen in love with him Then as mysteriously as he appeared the infatuated young man departs How will these people he has touched so deeply do without him Is there a passage out of the spiritual desert of modern capitalism into a new awakening both of the senses and of the soul Only questions remain at the end of a book that is at once a bedroom comedy a political novel and a religious parable

Difficult Women David Plante, 2017-09-26 David Plante's dazzling portraits of three influential women in the literary world now back in print for the first time in decades *Difficult Women* presents portraits of three extraordinary complicated and yes difficult women while also raising intriguing and in their own way difficult questions about the character and motivations of the keenly and often cruelly observant portraitist himself The book begins with David Plante's portrait of Jean Rhys in her old age when the

publication of *The Wide Sargasso Sea* after years of silence that had made Rhys's great novels of the 1920s and 30s as good as unknown had at last gained genuine recognition for her. Rhys however can hardly be said to be enjoying her new fame. A terminal alcoholic she curses and staggers and rants like King Lear on the heath in the hotel room that she has made her home while Plante looks impassively on. Sonia Orwell is his second subject a suave exploiter and hapless victim of her beauty and social prowess while the unflappable brilliant and impossibly opinionated Germaine Greer sails through the final pages ever ready to set the world and any erring companion right.

Unwitting Street Sigizmund Krzhizhanovsky, 2020-08-18

Eighteen strange whimsical and philosophical tales by the Russian master of the weird all now in English for the very first time. When Comrade Punt does not wake up one Moscow morning he has died his pants dash off to work without him. The ambitious pants soon have their own office and secretary. So begins the first of eighteen superb examples of Sigizmund Krzhizhanovsky's philosophical and phantasmagorical stories. Where the stories included in two earlier NYRB collections *Memories of the Future* and *Autobiography of a Corpse* are denser and darker the creations in *Unwitting Street* are on the lighter side: an ancient goblet brimful of self-replenishing wine drives its owner into the drink; a hypnotist's attempt to turn a fly into an elephant backfires; a philosopher's free-floating thought struggles against being enlettered in type and entombed in a book; the soul of a politician turned chess master winds up in one of his pawns; an unsentimental parrot journeys from prewar Austria to Soviet Russia.

Nothing but the Night John Williams, 2019-02-12

Stoner author John Williams's first novel is a searing look at a man's relationship with his absent father and how early trauma manifests throughout one's life. John Williams's first novel is a brooding psychological noir. Arthur Maxley is a young man at the end of his emotional rope. Having dropped out of college he's holed up in a big city hotel living off an allowance from his family, feeling nothing but alone and doing nothing but drinking to forget it. What's brought him to this point? Something is troubling him, something is haunting him, something he cannot bring himself either to face or to turn away from. And now his father has come to town, a hail fellow, well-met kind of guy. They've been estranged for years and yet Arthur wants to meet and so he does, reeling away from the encounter for a night of drinking and dancing and a final reckoning with the traumatizing past that readers will not soon forget. This edition of *Nothing but the Night* includes an interview with Nancy Gardner Williams, the author's widow.

The Bridge of Beyond Simone Schwarz-Bart, 2013-08-20

This is an intoxicating tale of love and wonder, mothers and daughters, spiritual values and the grim legacy of slavery on the French Antillean island of Guadeloupe. Here long-suffering Telumee tells her life story and tells us about the proud line of Lougandor women she continues to draw strength from. Time flows unevenly during the long, hot blue days as the madness of the island swirls around the villages and Telumee, raised in the shelter of wide skirts, must learn how to navigate the adversities of a peasant community, the ecstasies of love and domestic realities while arriving at her own precious happiness. In the words of Toussine, the wise, tender grandmother who raises her: Behind one pain there is another. Sorrow is a wave without end. But the horse mustn't ride you, you must ride it. A masterpiece.

of Caribbean literature *The Bridge of Beyond* relates the triumph of a generous and hopeful spirit while offering a gorgeously lush imaginative depiction of the flora landscape and customs of Gwa deloupe Simone Schwarz Bart's incantatory prose interwoven with Creole proverbs and lore appears here in a remarkable translation by Barbara Bray
