The Homilist; or, The pulpit for the people, conducted by D. Thomas. Vol. 1-50; 51, no. 3- ol. 63 David Thomas,

Understanding Jihad David Cook, 2005-05-23 Jihad is one of the most loaded and misunderstood terms in the news today Contrary to popular understanding the term does not mean holy war Nor does it simply refer to the inner spiritual struggle This book judiciously balanced accessibly written and highly relevant to today s events unravels the tangled historical intellectual and political meanings of jihad Looking closely at a range of sources from sacred Islamic texts to modern interpretations This book opens a critically important perspective on the role of Islam in the contemporary world The author also describes some of the conflicts that occur in radical groups and shows how the more mainstream supporters of these groups have come to understand and justify violence Back cover **Together We Are One** Thich Nhat

Hanh, 2006-05-09 Based on four retreats that Zen Master Thich Nhat Hanh led specifically for people of color this book is for people of all colors backgrounds and experiences who have ever felt excluded or alienated or anyone concerned with issues of social justice Although Together We Are One is based on teachings given to Buddhist practitioners of color readers of all backgrounds and walks of life will find it an inspirational and practical guide In chapters focusing on honoring our ancestors developing understanding and compassion and seeing the world in terms of interbeing Nhat Hanh shows how meditation and the practice of looking deeply can help create a sense of wholeness and connectedness with others Chapters are interspersed with mindfulness practice exercises and the personal stories of skilled writers such as Larry Ward author of Love s Garden Sr Chan Khong author of Learning True Love and Rev Hilda Rymon Gutierrez Baldoquin editor of Dharma Color and Culture about their discovery of a spiritual path their experience of finding balance overcoming obstacles in an unpredictable world and maintaining and sharing insights Together We Are One is a valuable addition to the unique expression of Buddhism in the West As in all his writings Thich Nhat Hanh does not suggest we replace traditional beliefs and customs with Buddhism but rather emphasizes that a mindful approach to daily life and interactions can help overcome misperception and separation so that we might honor and transcend our differences Nhat Hanh s primary focus highlights the basic how to s of Buddhist practice such as mindful walking and eating the practice of Looking Deeply and a never before published multicultural version of the Touching the Earth Ceremony making them accessible possibilities for a better everyday life A companion movie to the book featuring Thich Nhat Hanh s retreat can be found at www.colorsofcompassionmovie.com Samson

This book takes you on my personal journey through one of the world s most rigid religions Jehovah s Witnesses From my early childhood I share my experiences within this tightly controlled world where later in life I began to question and confront my inner struggles You will gain a unique insight into the faith that promised us that God would soon intervene and that we his devoted followers would be rewarded with a paradisiacal existence But this utopia demands sacrifices strict obedience to rules and shielding oneself from many worldly temptations For a child in this isolated community life is already a challenge but growing up and finding one s way to adulthood brings new obstacles Do I doubt everything I ve been taught Do I want to continue down this path Is escape even an option If so what price must I pay What follows is an emotional journey that begins at a young age Voicing my doubts would mean being ostracized from my community Family and friends could turn their backs on me Literally everything is at stake Ultimately I face a pivotal choice Do I remain trapped in this world or do I choose freedom Whichever path I take it will forever change my life
