

"This book vividly describes the shape that marriage takes
when it conforms to the creational intent of God for it."

Dr. Gilbert Bilezikian, cofounder of Willow Creek Community Church
and professor emeritus at Wheaton College

Together Reclaiming Co Leadership In Marriage:

Together Tim Evans, Anne Evans, 2014-02-08 God has different plans for marriage than you ever imagined Join tim anne evans as they explore a revolutionary perspective of what marriage can be by going back to the beginning In Eden a married couple was created to reflect and reveal the oneness and plurality in God s Trinitarian nature A man and woman both made in the image of God and both given the procreation and dominion mandates Together naked and without shame they enjoyed co leadership

Together Companion Journal Anne Evans, Tim Evans, Caitlyn Carlson, Amy Konyndyk, 2014-09-01 In this companion journal readers are invited to explore a revolutionary perspective of what marriage can be by returning to marriage in the beginning

Confronting Sexism in the Church Heather Matthews, 2024-08-27 Despite real progress women continue to be silenced wounded and relegated to the sidelines in our churches But we can learn to do better Exploring the history and culture of sexism in our contemporary evangelical world Heather Matthews offers simple practical steps for how Christians can actively fight sexism in its many forms

Becoming a King Study Guide Morgan Snyder, 2020-06-16 Enter a radical reconstruction of what we ve learned to believe about God and masculinity The Becoming A King Study Guide is an invitation to enter a rare and remarkable fellowship of like hearted men It s a call to have honest conversations about what power and responsibility look like for men in our world today It s a journey to rediscover your kingship in Christ and the narrow path that leads to this inner transformation In this six session video Bible study journey with Morgan into a process that helps men discover and recover Our true courage Our vulnerability God s design and desire to empower us in his Kingdom It is God s intention to entrust us to participate in the ongoing creativity of the universe Yet even a glance at our history and the world around us shows that the story of most men who are entrusted with power is a story of self harm and harm of those under their care What s gone wrong When can you entrust a man with power as God intended When we take a deeper look at the external problems around us we begin to see that the problems lie rooted within our own souls Despite that there is hope Curated and distilled over more than two decades and mined from the lives of over seventy five sages who have gone before us Morgan shares what he discovered an ancient and reliable path to restoring the heart of a man and becoming the kind of man who can wield power for good This study includes video notes group discussion questions and between session personal study for each session Sessions include Becoming Powerful Becoming a Son Becoming the Man You Were Born to Be Becoming a Generalist The Way of Becoming Becoming a King Designed for use with the Becoming a King Video Study 9780310115267 sold separately Streaming video also available

Gender and Women's Leadership Karen O'Connor, 2010-08-18 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on leadership issues specific to women and gender Although covering historical and contemporary barriers to women s leadership and issues of gender bias and discrimination

this two volume set focuses as well on positive aspects and opportunities for leadership in various domains and is centered on the 101 most important topics issues questions and debates specific to women and gender Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry but lack the jargon detail and density of a journal article Key Features Includes contributions from a variety of renowned experts Focuses on women and public leadership in the American context women s global leadership women as leaders in the business sector the nonprofit and social service sector religion academia public policy advocacy the media sports and the arts Addresses both the history of leadership within the realm of women and gender with examples from the lives of pivotal figures and the institutional settings and processes that lead to both opportunities and constraints unique to that realm Offers an approachable clear writing style directed at student researchers Features more depth than encyclopedia entries with most chapters ranging between 6 000 and 8 000 words while avoiding the jargon and density often found in journal articles or research handbooks Provides a list of further readings and references after each entry as well as a detailed index and an online version of the work to maximize accessibility for today s student audience

Tending the Flock K. Brynolf Lyon, Archie Smith, 1998-01-01 Many churches are unprepared to face the challenges inherent in family life today Others though have developed innovative and exciting responses In this book case studies provide insights and strategies to help develop a practical theological perspective on family ministry This new perspective represents a fresh and powerful witness to the place of families within contemporary communities of faith The Family Culture and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family s revitalization

American Conservatism Andrew J. Bacevich, 2020-04-07 As the nation stands at a crossroads this valuable collection urges us to reexamine the ideas and values of the American conservative tradition offering a bracing tonic for the present chaos The Washington Post A groundbreaking collection of mainstream conservative writings since 1900 featuring pieces by Ronald Reagan Antonin Scalia Joan Didion and more What is American conservatism What are its core beliefs and values What answers can it offer to the fundamental questions we face in the twenty first century about the common good and the meaning of freedom the responsibilities of citizenship and America s proper role in the world As libertarians neoconservatives Never Trump ers and others battle over the label this landmark collection offers an essential survey of conservative thought in the United States since 1900 highlighting the centrality of four key themes the importance of tradition and the local resistance to an ever expanding state opposition to the threat of tyranny at home and abroad and free markets as the key to sustaining individual liberty Andrew J Bacevich s incisive selections reveal that American conservatism in his words more akin to an ethos or a disposition than a fixed ideology has hardly been a monolithic entity over the last 120 years but rather has developed through fierce internal debate about basic political and social propositions Well known figures such as Ronald Reagan and William F Buckley are complemented here by important but less familiar thinkers such as

Richard Weaver and Robert Nisbet as well as writers not of the political right like Randolph Bourne Joan Didion and Reinhold Niebuhr who have been important influences on conservative thinking More relevant than ever this rich too often overlooked vein of writing provides essential insights into who Americans are as a people and offers surprising hope in a time of extreme polarization for finding common ground It deserves to be rediscovered by readers of all political persuasions

Co-Teaching for English Learners Maria G. Dove, Andrea Honigsfeld, 2017-09-27 Dove and Honigsfeld's new book arrives at the perfect time as an increasing number of schools move to a collaborative instructional model and are searching for guidance The authors not only tell us how to effectively collaborate and co teach to benefit English learners they actually show us what each component of the collaborative instructional cycle looks and feels like complemented by innovative video and web content DIANE STAEHR FENNER Coauthor of Unlocking ELs Potential and President of SupportEd Because teacher collaboration isn't an option it's a MUST The proof is borne out by any assessment our non native speakers learn faster and achieve more when general ed teachers and EL specialists co plan and co deliver instruction in the very same classroom That's why you'll want to put Co Teaching for English Learners at the top of your reading list Step by step EL authorities Maria Dove and Andrea Honigsfeld walk you through the entire collaborative instruction cycle along with seven potential classroom configurations from which to choose Whether you're new to co teaching or just see room for improvement in your practice this practical handbook delivers every technique and tool you need to make the most of your collaboration including video footage of co teaching in action Inside you'll find In depth profiles of the seven models with detailed descriptions and analyses A review of advantages and challenges of each model's implementation Clear explanations of each teacher's role along with self assessment tools Tried and true strategies for the entire instructional cycle co planning co instruction co assessment and reflection Real life accounts from co teaching veterans Long gone are the days when our ELs are taught in isolation and rightfully so Read Co Teaching for English Learners implement its strategies and soon enough you too can set up a learning environment in which all students thrive

How Long? How Long? : African American Women in the Struggle for Civil Rights Davis Belinda Robnett Assistant Professor of Sociology University of California, 1997-06-25 A compelling and readable narrative history How Long How Long presents both a rethinking of social movement theory and a controversial thesis that chroniclers have egregiously neglected the most important leaders of the Civil Rights movement African American women in favor of higher profile African American men and white women Author Belinda Robnett argues that the diversity of experiences of the African American women organizers has been underemphasized in favor of monolithic treatments of their femaleness and blackness Drawing heavily on interviews with actual participants in the American Civil Rights movement this work retells the movement as seen through the eyes and spoken through the voices of African American women participants It is the first book to provide an analysis of race class gender and culture as substructures that shaped the organization and outcome of the movement Robnett examines the differences among women participants in the

movement and offers the first cohesive analysis of the gendered relations and interactions among its black activists thus demonstrating that femaleness and blackness cannot be viewed as sufficient signifiers for movement experience and individual identity Finally this book makes a significant contribution to social movement theory by providing a crucial understanding of the continuity and complexity of social movements clarifying the need for different layers of leadership that come to satisfy different movement needs An engaging narrative history as well as a major contribution to social movement and feminist theory *How Long How Long* will appeal to students and scholars of social activism women s studies American history and African American studies and to general readers interested in the perennially fascinating story of the American Civil Rights movement
