appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for

almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and

compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health **The One Year Bible NIV** Tyndale,2021-10-19 The entire New International Version arranged in 365 daily readings **Love Lasts Forever** Dominiqua Douglas,2006-01-01 What do you do when your dreams are shattered Thor Magnussen is clueless The first time he touched pigskin he knew football was his life He never expected a tackle to end his dream Yet the answer comes when a special family heirloom takes him away from the comforts of 1985 back to the turbulent pre Civil War days of 1860 and he discovers something more important than a Super Bowl ring Willow Elkridge a freedwoman of color yearns to be on the frontlines in the growing battle against slavery The Fugitive Slave Act of 1850 puts many in danger Having lost her biological parents at the hands of slave patrollers she hates the thought of any child suffering the same So when her abolitionist surrogate parents forbid her from following her dream to be a conductor on the Underground Railroad Willow has no choice but to take matters into her own hands Then Thor a man from the future arrives What do you do when two worlds collide and love catches you by surprise Neither Thor nor Willow knows the answer but it makes them wonder if love can last forever Love Lasts Forever... Never one to give up Chloe persisted Several years later her prayers would be answered Jonathan had finally come out of his shell of pity and wrote her a letter Reconnecting their love for one another grew even stronger Launching a new investigation into Jonathan s case they found the elusive answers they were hoping for However unveiling the truth would come at a cost About the Author Gary Drake is a first time novelist whose first adventure into the literary world is that of the romantic mystery Enduring Love A native of Mount Union Pennsylvania aka Bricktown he lives with his wife Beth and daughter Tiffani He was drawn to writing while attending a Christmas drama the youth group at his church presented Inspired he began writing scripts in the early 2000s many of which have been performed His loving wife Beth who has Endured 30 plus years of Love with him continues to stand by him in his not so brilliant moments Presenting him with the notion he should write a novel the foundation was laid Fueled by his wife s passion for the beach a novel romance ensued

Where Love Lasts Eliza Ester,2024-02-23 Lily Nelson thought she d closed the book on love content with her quiet beachside life in Texas after trading the courtroom for calm But when Benjamin Myron a sharp witted consultant from Chicago jogs into her life their shared laughter hints that maybe the heart doesn t retire In a small seaside town a chance encounter under the mistletoe at the holiday parade sparks a connection that surprises them both As festive cheer and a determined matchmaker weave their magic Lily and Ben find themselves pondering the thrill of new romance in their later years Where Love Lasts isn t just a story it s a journey through the tender hopeful spaces of mature love Will Lily and Ben s holiday fling turn into a forever after Dive into their story and discover that love s warmest tide comes in when you least expect it
