In The Places That Scare You Pema Chödrön provides essential tools for dealing with the many difficulties that life throws our way teaching us how to awaken our basic human goodness and connect deeply with others to accept ourselves and everything around us complete with faults and imperfections. Drawing from the core teachings of Buddhism she shows the strength that comes from staying in touch with what's happening in our lives right now and helps us unmask the ways in which our egos cause us to resist life as it is. If we go to the places that scare us Pema suggests we just might find the boundless life we've always dreamed of.
