Windows Movie Maker 2 Zero to Hero John Buechler,Jon Bounds,Jennifer Dehaan,2003-08-07
You ve seen the promises in the advertising Microsoft s free Movie Maker 2 will make it simple to capture edit and share your home movies
We agree but how do you know where to start or where you re going
The answer is Windows Movie Maker 2 Zero to Hero which will take you from filming your movie with useful tips to improve the quality through editing and adding effects to premiering your masterpiece to your friends and family
Zero to Hero is more than a catchy slogan and an opportunity for puns and graphical representations of tights capes and phone booths
It s a style of learning designed by friends of ED to reach beyond dry technical explanations and dusty old authors who don t know how it is for real users and wouldn t know good design if it slapped them round the face with a wet fish
With a Zero to Hero book you can choose how you learn
You can choose to learn everything you need to know about Windows Movie Maker 2 by working through the first section of the book from start to finish
Alternatively you can dive straight in to the inspirational Hero chapters and refer back as and when you need
Then later when you re a hero yourself the book is easily used as a reference tool
When you re done you ll be ready to wear your underwear on the outside metaphorically speaking of course
