1993, 000 0000 000 *The Rustic Veggie-Table* Linda Grimes,2013-03-21 My mother made delicious biscuits and gravy and my father was always begging her to make them for breakfast that was his favorite breakfast She used bacon grease all purpose flour table salt and cow s milk Like my dad I am a big fan of biscuits and gravy but unlike my mom I do not use those heavy acidifying ingredients And I know she would gladly make the substitutions I have made if she had heard about them back in the day And I think my dad would have appreciated my biscuits and gravy make over even if it took a while to get used to Instead of bacon grease I use vegan butter and or olive oil Instead of all purpose flour I use a combination of whole wheat unbleached and sometimes sprouted grain wheat Instead of regular table salt I use sea salt And instead of cow s milk I use coconut milk or almond milk Many of my vegan recipes use non traditional ingredients such as sprouted grain flour stevia agave nectar quinoa and coconut milk to support a diet low in acidifying elements Nevertheless they are yummy fun to prepare and fill the tummy while delighting the soul *Rustic Healthy* RusticHealthy,2019-02-26 Rustic Healthy is my anecdotal experience as well as what I ve learned though I m told I m unlearnable by some in the last year including my own hypothesis though I m told it s not an hypothesis and if it is it s not mine in getting healthy perhaps lose some weight naturally I ve included also my very compelling Rustic Commentaries to share what I ve encountered as well Now I am not a doctor or health professional however I have consulted with physicians online and one informed that perhaps rustic s ovaries should be removed so as not to pass on any of her dumb genes And then rustic should start her own organic garden and turn herself into compost 8 Nevertheless for years I believed in a natural livingstyle as much as possible in a NYC environment however found what I thought was natural really wasn t Basically I ve been my own guinea pig regarding health after being on 4 asthma medications overweight tired of being sick and always kind of curious as to why illness happens which I hope to present here some answers at least how I can understand them anyway In 2007 I retired early and moved down to beautiful rural Virginia where I learned or think I ve learned a bit more So herein are all that I wish I d known regarding health dieting p exercise and other pertinent things in hopes that you may look into these rustic findings for yourself as well and hopefully get healthy and be happy too Patti aka RusticHealthy **Vibrant Vegan Cooking** Rustic Bite Bistro,2023-09-07 Welcome to Vibrant Vegan Cooking 101 Flavorful Plant Based Recipes Whether you re a lifelong vegan or new to the vegan lifestyle this cookbook is for you In this book you will learn how to make vibrant flavorful and nutritious vegan dishes that will revolutionize the way you look at plant based cooking We focus on making the most of fresh seasonal ingredients in our recipes to ensure that every bite is packed with flavor and nutrients These recipes are tested and perfected to create delicious plant based meals for every occasion from breakfast to dinner From creamy vegan mac and cheese to rich vegan chocolate cake each of the 101 recipes featured is sure to delight and satisfy you and your family Whether you are searching for vegan comfort food a balanced meal or something special for having friends and family over for dinner you ll find the
