this engaging book shows that by setting their collective will on victory Americans in and out of uniform gained strength from their setbacks Indomitable Will spells out how the nation turned early defeat into ultimate victory *Bargain Basement War Heroes* Bernard F. Flynn,2015-05-11 A World War II Merchant Marine combat veteran does more than just rock the boat with this book This grandpa opens up a can of worms that should cause some squirming in high places past present or future 1 Kennedys assassination Oswald the State Department Congress and big name personalities are all featured and highlighted in Grandpas story within 2 Accusations of a criminal law that was enacted by the wartime Congress which removed every government benefit that the early volunteers for the Merchant Marine had and reclassified them as migrant workers 3 Why was there acceptance of the never ending scapegoating of these brave heroes which was nothing but pure self serving lies and distortions by the press broadcast media politicians and higher ups in the military 4 Read the absolute truth about the Merchant Marine that is related in this book You can make up your own mind about the wartime Merchant Marine Their wartime contribution to winning that war is incontrovertible Why was the report to President Truman at the end of the war kept a war secret and not made available until 2009 sixty five years later 5 Read the authors take on the wartime start up of his alma mater the United States Merchant Marine Academy at Kings Point New York which is now considered the hidden treasure of our federal academies 6 It is doubtful if any of our seamen especially our African American volunteers understood what really happened in the wartime Congress Those thousands of widows and children who lost all benefits should force a federal disclosure of the facts and the hope of this book is to put them all on full alert The disclaimer and speculation is clearly indicated in the early part of this book Read President Obamas response [The Binge Watcher's Guide to The West Wing](#) Joshua Stein,2024-08-15 What s Next The Bingewatchers Guide to the West Wing looks back at the classic television show 25 years later Aaron Sorkin s political drama had an enormous influence on American politics The show is a time capsule from the political moment after the Berlin Wall fell but before 9 11 This first book focuses on the first two seasons of the show examining how the television show explains political issues scandals and vision The West Wing was a show about political optimism something that s hard to imagine now it also influenced less optimistic political dramas including Shonda Rhimes Scandal and even sitcoms including Parks and Recreation The show is a political and cultural touchstone The book gives a critical appraisal of many of the show s themes including how its optimism and politics have held up over the years
