The Wither King Mark Cheverton, 2018-05-08 Life is peaceful and calm in the Far Lands a mysterious area on the edge of the Overworld in Minecraft The monster warlords have been destroyed and the NPC villages are flourishing But an old warning still echoes in the young NPC Watcher's mind Krael the new Wither King will bring back his army as the monster warlocks predicted and take their revenge on all of the Far Lands Watcher is right to be suspicious Krael the self proclaimed King of the Withers and wearer of the Crown of Skulls has a plan to bring back the vast army of withers that lie imprisoned in the ancient Cave of Slumber With the help of a dozen ancient zombie warriors rescued by Krael they seek to release the withers from their slumber and wreak havoc on the Far Lands And the only thing in his path is a skinny little archer named Watcher

The Wither Invasion Mark Cheverton, 2018-10-02 In the concluding third book of a new Minecraft adventure series from New York Times bestselling author Mark Cheverton Watcher fights the wither king's army to save Minecraft itself from destruction With Krael the king of the withers trapped in another world the young wizard Watcher thinks the Great War is finally over but he's wrong Intent on destroying all villagers Krael has found a way to bring his army to the Far Lands Now with Krael's vicious horde chasing them Watcher and his friends must save as many villages as possible before making their final stand But outnumbered by monsters stronger than they've ever seen it seems hopeless It will be left to Watcher to save them and with a secret weapon of mass destruction the young wizard will be forced to make a decision Should he destroy millions of monsters or should the villagers stand and fight knowing they'll die What Watcher doesn't know is that a secret built into the ancient weapon could change the course of the war for better or for worse

The Withers Awaken Mark Cheverton, 2018-07-03 Krael the Wither King has been trapped deep underground ending his reign of terror and all the NPCs of the Far Lands have all put away their swords in peace except Watcher the young archer still suspects Krael has bigger plans He's right In the darkness of the Cave of Slumber Krael awakens the imprisoned wither horde and with the help of creepers and endermen the wither army is released from their rocky jail They spread across the Far Lands searching for the ancient Vault of Weapons which will make the army of withers indestructible But one man alone holds the secret to the Vault's whereabouts the Far Land's last living NPC wizard Watcher and his friends must race to find the wizard before Krael and his army of monsters But if they fail a wave of destruction led by the King of the Withers will sweep across the landscape destroying everything and everyone they know

The Clash of the Withers Winter Morgan, 2018-09-04 Farmer Brett and his apprentice Joe are happy to build a new farm for their town of Meadow Mews But during construction the pair falls down a hole and land in an unknown place and time Discovering that they are in the middle of the historic Wither War they find out that their history is far more complicated than they learned in school After witnessing the first creeper explosion Brett and Joe are recruited into an army to fight the monsters Should they use their knowledge of the past to help end the battle Or will this impact the future of the Overworld And what will it mean for them getting home Join Brett
