Megatrends of World Politics Marina M. Lebedeva,Denis A. Kuznetsov,2022-12-19 Megatrends of World Politics identifies globalization integration and democratization as three key trends shaping the future of world politics and international relations and demonstrates their effects in today s global processes The authors of this book discuss the essence of these three megatrends of world politics describing their dynamic and non linear development and exploring how they manifest themselves Assessing

megatrends of world politics makes it possible to predict further global political development The authors proceed from several assumptions 1 megatrends are global they operate everywhere around the globe although with different intensity and in diverse forms 2 they influence and sometimes generate a variety of other trends in today s world politics and 3 megatrends are political The three megatrends globalization integration and democratization are identified and justified based on these three parameters then the authors analyze the influence and manifestation of megatrends in various spheres of world politics including terrorism transregionalism communication technologies migration pandemics and subnational regions This book will be of interest to students scholars and researchers of international relations and adjacent fields who are studying the trajectories of global development globalization integration and democratization Jahrbuch Migration und Gesellschaft / Yearbook Migration and Society 2022/2023 Hans Karl Peterlini,Jasmin Donlic,2023-08-04 Migration is not a state of emergency but a basic existential experience of humanity It shapes contemporary societies by challenging established orders creating transnational spaces beyond national hegemonies creating new economies influencing urban and communal ways of life making inequality and precariousness visible locally and globally Migration research as a social science does not narrow the focus to the migrants but investigates the conditions for living together and shaping life between ethnicization and pluralization discrimination and empowerment division and participation The Yearbook Migration and Society repeatedly turns the prism of narrative anew The 2022 2023 edition focuses on the topic Climate *The Palgrave Handbook of Global Migration in International Business* Audra I. Mockaitis,2023-11-02 This handbook focuses on the dynamic nature of global migration and its implications for international business Migration shapes the societal and organizational contexts of international business yet studies on migration have only recently become more prominent For example the existence of multinational enterprises MNEs depends to no small extent on the mobility of people MNEs source develop deploy and utilize global talent This talent pool includes but is not limited to skilled expatriates or corporate migrants as well as culturally and ethnically diverse workforces comprised of first and second generation migrants highly skilled refugees that help organizations enhance their legitimacy in host countries and returnee immigrants encouraged by changing home country conditions Additionally global events such as the COVID 19 pandemic and Brexit have introduced new and far reaching challenges for international firms in managing their international workforces and international mobility Meanwhile at the individual level these issues are compounded for migrants having to cope with multiple work and non work demands Chapters in this handbook offer both firm and migrant perspectives covering topics such as diaspora networks in international alliances migrant careers and migrant re entry issues among others Arranged in five sections this handbook covers the whole spectrum of issues thus furthering our understanding of this increasingly important topic **The Handbook of Public Administration, Vol. 2** Çetin İZGİ,Emrah FİRİDİN,Kurtuluş MERDAN,Berfin GÖKSOY SEVİNÇLİ,Kıvanç DEMİRCİ, Demokaan DEMİREL, Gizem KABASAKAL,Sinem ŞAHNAGİL,Yahya KATI,Afşin Ahmet
