introduction we find perhaps the earliest theory of the Jewish joke Oring provides helpful annotations for the jokes and contextualizing essays that examine the current state of Jewish joke scholarship and the situation of the Jews in France and Germany leading up to the periods when the two collections were published Intended to stimulate the search for even earlier examples Oring challenges us to confront the Jewish joke from a genuine historical perspective [The World's Wit and Humor](#) Lionel Strachey, Joel Chandler Harris, Andrew Lang, Brander Matthews, William Hayes Ward, Horatio Sheafe Krans, 1906 **A Laughable Empire** Todd Nathan Thompson, 2023-03-14 In the nineteenth century United States jokes comic anecdotes and bons mots about the Pacific Islands and Pacific Islanders tried to make the faraway and unfamiliar either understandable or completely incomprehensible i e other to American readers A Laughable Empire examines this substantial archival corpus attempting to make sense of nineteenth century American humor about Hawai i and the rest of the Pacific world Todd Nathan Thompson collects and interprets these comic sometimes racist depictions of Pacific culture in nineteenth century American print culture Drawing on an archive of almanac and periodical humor sea yarns jest books and literary comedy Thompson demonstrates how jokes and humor functioned sometimes in the service of and sometimes in resistance to US imperial ambitions Thompson also includes Indigenous voices and jokes lampooning Americans and their customs to show how humor served as an important cultural contact zone between the United States and the Pacific world He considers how nineteenth century Americans and Pacific Islanders alike used humor to employ stereotypes or to question them to other the unknown or to interrogate laughingly the process by which othering occurs and is disseminated Incisive and detailed A Laughable Empire documents American humor about Pacific geography food dress speech and customs Thompson sheds new light not only on nineteenth century America s imperial ambitions but also on its deep anxieties
