Worship As Theology Foretaste Of Glory Divine:

Worship as Theology Don E. Saliers, 1994 In this book the author discusses how worship is both theological God centered and anthropological embodied and embedded in specific human and cultural contexts Worship as Theology begins and ends with the eschatology of the divine promise that the church's cry is still Come Lord Jesus and that God's will be done on earth as in heaven

Apologetics after Lindbeck Jeremiah Gibbs, 2015-11-04 Postmodern challenges to the reliability of Christian belief have left many pastors and theologians wondering whether Christian belief should be rationally defended at all Gibbs investigates this possibility by a case study of postmodern theologian George Lindbeck Lindbeck's modern classic *The Nature of Doctrine* is a prime example of theology that is both faithful to the church and highly critical of modern conceptions of faith and reason Gibbs's careful analysis of Lindbeck shows a way forward that embraces Christian apologetics while transforming it to answer postmodern criticisms of modern apologetics The result is a sure confidence that the truth of Christian belief is reasonable even if not able to be proven Not only is Christian truth shown reliable Gibbs argues that apologists can and should defend the reliability of the Christian narrative as the most beautiful and good account of the world as well Apologetics after Lindbeck is a transformation of apologetics that calls the church to faithfully form Christians who can tell a beautiful good and true story of the grace of Jesus Christ

Any Body There? Craig Michael Mueller, 2017-07-21 Any body there we may wonder as we watch people engage with their smart phones while being oblivious to what is going on around them Anybody there is the question facing the church as it wrestles with declining religious affiliation Craig Mueller considers this contemporary context and offers a response based in an incarnational spirituality accentuating the body and finding expression in corporate multisensory liturgy Mueller creatively weaves together topics from our digital lives with personal and congregational stories and theological liturgical and spiritual reflections Concepts such as virtuality the analog 24/7 connectivity access design and GPS are juxtaposed with themes of embodiment mortality sabbath mystery beauty and vocation Drawing on his experience as a pastor to millennials his studies in liturgical theology and his work on the effects of technology on daily life Mueller proposes that corporate worship is an antidote to the distraction fragmentation and spiritual hunger in society today As humans continue to merge with machines participation in the Sunday liturgy reminds us of what it means to be human a deeper connection to our bodies and the earth and a clear sense of purpose and mission for our everyday lives

We Give Our Thanks Unto Thee Porter C. Taylor, 2019-04-17 Fr Alexander Schmemmann continues to influence liturgical and sacramental theologies some thirty five years after his death Despite the wide acceptance within Protestant circles of his timeless classic *For the Life of the World* there has been relatively little written about him from an ecumenical context This volume of collected essays seeks to explore his theological legacy and further his work With essays from leading scholars such as David Fagerberg Bruce Morrill Joyce Zimmerman and more this volume is meant for both teachers and students of liturgical and sacramental theology In an effort to introduce Schmemmann to a wider audience and to celebrate his work through meaningful engagement and dialogue contributors come from a wide variety of ecclesiastical backgrounds Anglican Roman Catholic Orthodox Lutheran Presbyterian Methodist Free Church and more The Eucharist is therefore the manifestation of the Church as the new aeon it is participation in the Kingdom as the parousia as the presence of the Resurrected and Resurrecting Lord It is not the repetition of His advent or coming into the world but the lifting up of the Church into His parousia the Church's participation in His heavenly glory Fr Alexander Schmemmann Introduction to Liturgical Theology p 72

Eucharist and Globalization Claudio Carvalhaes, 2013-10-30 The ritual of eating and drinking together is one of the most important Christian events Often called Eucharist Lord's Supper or Communion this sacrament is about the presence of Christ transforming not only those who participate in it but also the world In this book the author engages this Christian liturgical act with movements of people around our globalized world and checks the sacramental borders of hospitality The author calls our attention to the sacramental practices of Reformed churches and from this liturgical practice challenges Christian churches to expand the borders of hospitality Engaging several critical lenses around the notion of the sacrament namely Greco Roman meals Calvin's theology and feminist and Latin American theologies the author challenges theological and liturgical understandings of the Eucharist He fosters an interreligious dialogue around the table and ends up using ritual theory to expand the circles of traditions vocabularies and practices around the sacrament

Proposing a borderless border eucharistic hospitality the author encourages readers to ask who and where we are when we get together to eat and drink and how this liturgical act around Jesus table meal can transform the lives of the poor our communities societies and the world

Engraved Upon the Heart Hwarang Moon,2015-07-17 How does liturgy impact the formation of faith The Protestant Church has traditionally emphasized human reason and doctrinal knowledge But there is another method with great formative power participation in liturgy Human beings gain important knowledge not only through traditional cognitively focused learning but also through practice and participation And because knowledge is wholistic an inability to express an idea in language does not necessarily signify an absence of knowledge This book shows how liturgy transmits knowledge that transcends human reason We repeat the liturgy in weekly public worship and its contents are inscribed on our minds and bodies Contrary to common belief this is also true for children and cognitively challenged individuals They may be unable to verbally express the contents of their faith in a way that satisfies normal adult expectations but these two groups of people are capable of rich religious experiences This book explores how welcoming them into experience and practice of worship and sacrament can benefit children cognitively challenged church members their families and the church community as a whole and makes us all a more inclusive community in Christ

Touching the Altar Carol M. Bechtel,2008-01-14 What does it mean to be in the presence of God's holiness How can it affect us whether we seek it out or stumble upon it Can it truly change our very reality to encounter it The essayists in this volume explore these questions at the heart of Christian worship considering the oft neglected Old Testament as essential to understand our purpose in worship Following the structure of the Hebrew canon beginning with the Pentateuch moving through to the Psalms then wisdom literature each chapter considers a separate aspect of worship from theater to the Sabbath to sacred space offering new inspiration In the final essay Carol Bechtel rereads the book of Job through the lens of our human limitations as opposed to the usual theme of theodicy with compelling applications for both life and worship Each of these essays concludes with two appropriately themed hymns and a For

The Preacher as Liturgical Artist Trygve David Johnson, 2014-01-24 Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities including the imagination to bear upon the arts of Christian proclamation The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the gospel bodily within the context of the liturgical work of God's people
