Worshipping Aphrodite Worshipping Aphrodite:

Worshipping Aphrodite Rachel Rosenzweig, 2004 Worshipping Aphrodite fills a gap in scholarship that has largely ignored the worship of Aphrodite in classical Athens in favor of more prominent deities such as Athena Zeus and Hephaistos It is the first study in English to address the role Aphrodite played in the daily religious activities of the city's population by focusing on the archaeological material associated with Aphrodite's Athenian and Attic cult sites from a specific time period By examining this material together Rosenzweig reveals that Aphrodite had a much more prominent position among the gods of classical Athens than previously understood far greater than a deity who merely presided over matters of love and lust Aphrodite aided in the overall maintenance and welfare of Athens local government business community family life and agricultural health and unified the people in both the public and private spheres This fascinating study will interest not only classical archaeologists but those interested in the nature of Greek religion and cult practices and those specializing in the development of the Athenian polis It provides a useful re-examination of scholarship on Aphrodite and enhances our understanding of her social and political importance in the Athenian environment **BOOK JACKET** *Negotiating Identity in the Ancient Mediterranean*

From Pulpit to Pagan Dhungarvn the Grey, 2008-09 After teaching and ministering twenty-two years as a Christian pastor and evangelist author Dhungarvn the Grey became disillusioned with the self-righteous membership and church politics He left the ministry and began searching for the truth In his re-evaluation of his concept of God and prayer he reconnected with nature and the idea of nature-based spirituality His soul stirred with a yearning toward paganism From Pulpit to Pagan is the story of Dhungarvn the Grey's journey from Christianity to paganism and his quest for truth Horus Mithra Krishna and Jesus all told their followers You will know the truth and the truth will set you free The truth about Christianity frees the pagan of the guilt trips inflicted by well-meaning family members It frees them from the tendency to credit Christianity the Bible and Jesus with more truth than is valid It frees them from the missionary traps and ignorant attacks by evangelicals Dhungarvn suspects that many in the pagan community are programmed by their family experience and Christian upbringing they hold onto the Bible and Jesus out of unconscious fear and guilt From Pulpit to Pagan details Dhungarvn's struggles but also provides hope for other pagans to become truly free **Harlot or Holy Woman?** Phyllis A. Bird, 2019-11-20 Harlot or Holy

Woman presents an exhaustive study of qede ah a Hebrew word meaning consecrated woman but rendered prostitute or sacred prostitute in Bible translations Reexamining biblical and extrabiblical texts Phyllis A Bird questions how qede ah came to be associated with prostitution and offers an alternative explanation of the term one that suggests a wider participation for women as religious specialists in Israel s early cultic practice Bird s study reviews all the texts from classical antiquity cited as sources for an institution of sacred prostitution alongside a comprehensive analysis of the cuneiform texts from Mesopotamia containing the cognate qadi tu and Ugaritic texts containing the masculine cognate qd Through these texts Bird presents a portrait of women dedicated to a deity engaged in a variety of activities from cultic ritual to wet nursing and sharing a common generic name with the qede ah of ancient Israel In the final chapter she returns to biblical texts reexamining them in light of the new evidence from the ancient Near East Considering alternative models for constructing women s religious roles in ancient Israel this wholly original study offers new interpretations of key texts and raises questions about the nature of Israelite religion as practiced outside the royal cult and central sanctuary
