Teaching Writing as Journey, Not Destination P. L. Thomas, 2019-01-01 American author Kurt Vonnegut has famously declared that writing is unteachable yet formal education persists in that task Teaching Writing as Journey Not Destination is the culmination of P L Thomas s experiences as both a writer and a teacher of writing reaching into the fourth decade of struggling with both This volume collects essays that examine the enduring and contemporary questions facing writing teachers including grammar instruction authentic practices in high stakes environments student choice citation and plagiarism the five paragraph essay grading and the intersections of being a writer and teaching writing Thomas offers concrete classroom experiences drawn from teaching high school ELA first year composition and a wide range of undergraduate and graduate courses Ultimately however the essays are a reflection of Thomas s journey and a concession to both writing and teaching writing as journeys without ultimate destinations

A First Book in Writing English Edwin Herbert Lewis, 2022-07-21 The author Edwin Herbert Lewis a PhD in English and associate literature professor shares his vast knowledge of composition of English language based on his classroom experience In his own words It sometimes happens that the study of the principles of composition is left until the overcrowded last year of the high school under the plea that facts ought to precede generalizations Is it not better to have the pupil begin two or three years earlier than this to frame simple generalizations for his own future guidance
