Titanic And Other Ships:

Titanic and Other Ships Charles Herbert LIGHTOLLER,2010-07-03 Lightoller remarkably swam away from the sinking Titanic and avoided being sucked under This is just one of the incredible escapes described in this book **Titanic and Other Ships** Charles Lightoller,2015-05-27 Titanic and Other Ships by Charles Herbert Lightoller Charles Herbert Lightoller 1874 1952 was the second mate second officer on board the RMS Titanic and the most senior officer to survive the Titanic disaster Lightoller was decorated for gallantry as a naval officer in the First World War and later in retirement further distinguished himself in the Second World War by providing and sailing as a volunteer on one of the little ships during the perilous Dunkirk evacuation This book details the wildly adventurous career of Titanic officer Charles Herbert Lightoller After surviving the Titanic disaster Lightoller went on to command a torpedo boat in the Nore Defence Flotilla and two destroyers of the Dover Patrol A first hand account giving a vivid picture of how the gentlemen of the other firm felt towards the U boats Lightoller sank Werner Furbinger's UB 110 and it is interesting to compare his account of their encounter with the one in Fips Titanic and Other Ships C. H. Lightoller,2007-12 Charles Lightoller is one of the most famous figures in the history of seafaring Second officer of RMS Titanic on the night of April 15th 1912 Lightoller was one of the last to leave the sinking ship swept from the angled deck during the last desperate struggle to launch the collapsible lifeboats **Titanic and the Mystery Ship** Senan Molony,2011-08-31 As the Titanic was swallowed by a freezing sea over 800 miles from the nearest land her 2 200 passengers and crew attempted desperately to avert tragedy Lifeboats were lowered and constant SOS signals sent but most realised they would require a miracle to avoid their doom And then it came Approaching over the horizon was a ship coming ever closer and then stopping within five or six miles of the Titanic The joy on board the sinking ship was unimaginable the crew even reassured passengers that rescue was imminent Agonisingly however the vessel did not come to the rescue despite rockets of appeal but gradually turned and moved away abandoning over 1 500 people to their fate The search for the Mystery Ship began immediately and both Britain and the USA accused a ship called the Californian of deserting the Titanic in her hour of need But was the Mystery Ship the Californian For the first time this book explores the totality of evidence with the discovery of the Titanic's actual wreck site in 1985 allowing crucial insights not available during official investigations seventy three years earlier Combining a penetrating argument with an extensive collection of archive photographs and materials this book aims to find clear answers to the many riddles of the Titanic's Mystery Ship **Titanic and Other Ships** Lightoller (Comdr.),1920 Titanic and Other Ships C. H. Charles Herbert Lightoller,1935 **The Titanic and the Indifferent Stranger** Paul Lee,2009 Even the staunchest of landlubbers knows what rockets at sea mean or do they A short space of time after the fatal collision with an iceberg the Titanic's crew sent rockets aloft to attract the attention of a ship seen just a few miles But that ship never responded and 1500 people died in the frigid waters This book details the scandal of the Californian blamed by many for being that very unresponsive stranger Rockets were seen and

ignored but was the Captain guilty of mass murder Did more than 1000 people needlessly die Why was the wireless operator not awakened Could the Californian have saved anyone And why is this story neglecting the ethical controversy surrounding salvage the single most divisive issue in the Titanic research community **Titanic's Lifeboats** James W

Bancroft,2025-11-30 A dramatic retelling of the personal stories of the men women and children survivors of the Titanic lifeboats Foot by foot Titanic s lifeboat No 11 slowly jerked its way down the sides of the great ocean liner as it slipped beneath the cold dark waters of the Atlantic For the fifty or so men women and children crammed into the lifeboat survival was all that mattered Even then though the American fashion designer Edith Rosenbaum Russell ferociously clung to her pig shaped music box until she was rescued its tunes helping to quell the fears of the frightened children onboard Unlike so many of those onboard Titanic that fateful night in April 1912 everyone in lifeboat No 11 would be rescued Bridget McDermott had brought a new hat before she set off for America Bridget climbed into one of the lifeboats believed to be No 13 before realising she had left her precious purchase behind She climbed out of the lifeboat retrieved her hat from her cabin ran back to the open deck and jumped fifteen feet from a rope ladder onto the lifeboat Other garments played an important part in the survival of one of the lifeboats which sprung a leak with the people onboard using clothes to plug the hole Charles Joughin the head baker aboard Titanic floated in the near freezing ocean for around two hours before being pulled out of the water onto one of the lifeboats He had not succumbed to the cold due to the amount of alcohol he had drunk Masabumi Hosono a civil servant from Tokyo was the only Japanese passenger onboard Titanic and being a man he accepted that the women and children first policy had sealed his fate However when a crew member shouted that there were two spaces left in a lifeboat No 10 Hosono jumped in As Japanese honour considered it far better for a man to suffer an honourable death than to survive in a shameful manner when he reached his homeland he was ostracized by his family and lost his job When it sailed Titanic carried twenty lifeboats that between them could accommodate 1 178 people a little over half of the 2 209 on board the night the liner sank Eighteen of these life saving craft were used that night but tragically only 706 people found a space in them This is the dramatic and moving story of the men women and children who made it into the lifeboats that fateful night in April 1912 **Inside the Titanic: A Journey Through the Ship of Dreams** Zahid Ameer,2024-09-17 Step

slowly sank a mystery ship was seen as she slipped below the waves Thinking it would be their salvation rockets were fired from Titanic to attract the mystery ship but to no avail With 1 500 souls on board Titanic foundered but what of the mystery ship At the subsequent inquiries in both the USA and UK Captain Stanley Lord and his vessel the Californian were accused of ignoring Titanic s plight This is the story of the Californian and of her actions that night and Thomas Williams and Rob Kamps prove that she could not have been the mystery ship that promised hope and salvation for a fleeting time to those on board the sinking Titanic
